Re:- Diversion of 0.7903 hectare of Forest land in favour of M/s Shiv Shakti Enterprises Anurag Kutir, Lower Doharu Mohalla Ghuggar Tehsil Palampur & Distt. Kangra, H.P. for the construction of Lower Bhagair Small Hydel Project (1.00 MW) HEP, within the jurisdiction of Chamba Forest Division, Distt. Chamba, Himachal Pradesh (Online Proposal No. FP/HP/HYD/49792/2020).

This has reference to the queries raised in the REC meeting held on 20-06-2022 followed by your letter dt. 29-06-2022.

In this connection we have to submit as under:-

1. Road cum Transmission line (RoW)

The length and width of transmission-cum-road component has been wrongly shown at the Sr. No. 10 & 11 in 'Table No. 2' showing the component wise breakup document due to the application of incorrect conversion factor for conversion of karams to meters. As the length and breadth figures of this component were not tallied with the figures shown in the field book & tatima of the revenue records through an oversight, hence this error took place.

We vehemently regret this serious lapse on our part.

Now after going through the revenue records vis-a-vis the fieldbook & tatima of this component, we have rectified the mistake and inserted the correct figures of length and breadth at Sr. No. 10 & 11 in 'Table No. 2' as 664 x 7 metres and 11.43 x 7 metres respectively.

The figures of this component in Joint Inspection Report has also been corrected accordingly.

We may reiterate that the total area to be diverted in respect of this component showing the Road-cum-Transmission line remains unaffected.

Further we are uploading the layout plan after inserting the rectified figures of length & breadth of Road-cum-Transmission line as shown in the component wise breakup document (Table No. 2).

2. The desired action at your end is required please.
3. The desired action at your end is required please.

Thanking you

With Regards

Your's faithfully
