Subject -

Clarification sought by the MOEF regarding basin study of the Ravi River.

Sir,

On the subject cited matter, I am directed to clarify that no Cumulative Impact Assessment & Carrying Capacity Study (CIA & CCS) has been executed for Ravi Basin. With regard to conducting such studies for Ravi Basin, the matter is under consideration with MOEF & CC, GoI.

The effect on environment with the construction of the project under reference will be assessed through the EIA study of individual project and shall be subjected to Environment Clearance from MOEF & CC, GoI or from State Environment Committee whichever will be the case applicable as per capacity of project. Such clearances are necessarily required to be obtained for each individual project.

Yours faithfully,

(Er. Deepak Jasrotia)  
Superintending Engineer  
Directorate of Energ, GoHP.

Copy of the above is forwarded to the Chief Engineer (PCA), HPSEBL Vidyut Bhawan Shimla-4, for kind information please.
