- (iv) Justification for locating the project in forest area:
To provide the technical knowhow to the orchardists of this area it is necessary to establish the Departmental Fruit Plant Nutrition Laboratory at Dabbi (Thanadhar), so that the production of fruit can be increased. For this purpose the department has no sufficient land in this area to establish the above laboratory also there is no private land available nearby, therefore forest land (0-10-31 ha) is required for construction of Fruit Plant Nutrition Laboratory. The department has only 0-01-24 ha land in his name and 0-10-31 ha forest land is required to be diverted for this purpose.
- (v) Employment likely to be generated
It will provide the employment about five to ten people.

2. Purpose- wise break-up of the total land required

The department has only 00-01-24 ha land at Dabbi which is not sufficient for construction of Fruit Plant Nutrition Laboratory and office building and there is no alternative land available for this purpose. Therefore, 00-10-31 ha of forest land is required to be diverted for construction of Fruit Plant Nutrition Laboratory and office building at Dabbi (Thanedhar). The proposed two Storey building is to be constructed at Dabbi in an area of 00-01-54 ha, parking space in an area of 00-02-00 ha, apple plantation in an area of 00-04-81 ha and setback for proposed building is of 00-01-96 ha. The total land required for diversion is 00-10-31 ha.
