**Date: 30/06/2023**

**To,**

**The Deputy Conservator of Forest  
Koppal Division, KOPPAL**

**Respected Sir / Madam,**

**Sub: Diversion of 1.84 Ha of Forest land in Sy No 25, Chikkakasankandi village and submerged villages of Hole Mudlapur & Submurged Lingapur villages, Hitnala Hobli, Koppal Taluk & District for laying of Pipeline, Transmission Line, Substation and break pressure tank in favour of M/s Aarees Iron and Steel Limited, Hosapete. Proposal No. FP/KA/IND/26447/2017 [Form-A]**

**Ref : PCCF letter No: Old File No A5(4). GFL.CR -13/2017-18 E-office File No. KFD/HOFF/A5- 4(GFL)/42/2018-FC , Dated 23-01-2023**

With reference to the office letter referred above we submit our clarification and reply for the points indicated by The Principal Chief Conservator of Office Forest Bengaluru vide letter dated 23-01-2023

Sl No	Details sought by the Forest Department	User Agency AISL reply
a	Since the user agency has changed the alignment and also has revised the forest land extent from 1.84 ha to 1.745 ha (non-forest land extent 5.47 ha to unknown ha), the same changes of extent in the Form - A Part-I in various columns need to be changed (in column such as A-a (viii) and (ix), B-2.1, 2, 3 and 4)	The different columns of Form -A Par-I have been modified to reflect the revised alignments.
B	<b>Geo- reference Map and Topo Map:</b> The user Agency needs to upload the village map showing proposed entire alignment of the project including forest	The project's complete alignment, including both forest and non-forest land, is shown on the village map, which was also uploaded. The KML

	and non-forest land in differentiable colors (i.e in Authenticated whole village map) in column C- (iv) and Topo-Map in the column C-(iii) and it should be ensured that the KML polygon of the forest land proposed for diversion matches exactly with the corresponding GPS readings and ground features as seen in satellite imagery, instead of uploading the old map showing old alignment	polygon of the proposed diversion matches precisely with the corresponding GPS readings and ground features as seen in satellite images. <i>CD enclosed</i>
C	<b>KML File:</b> The user agency needs to upload the component wise proposed KML files showing the entire forest and non-forest alignment in differentiable colors in column C(ii)(b)	Uploaded the KML file showing the entire forest and non-forest alignment in differentiable colors in column C(ii)(b)
d	<b>Justification Note:</b> The user Agency need to upload a proper justification note in relation to the alternate map upload in the D(ii) in the D(i) instead of the old one	Justification note attached (Annexure-1)
E	<b>FRA Certificate:</b> The user Agency also needs to upload all the annexures mentioned in the FRA certificates in the English translated version of it	English translated version of FRA certificates attached (Annexure-2)

We have clarified point wise reply and request you to approve our proposal as earliest

Thanking you

Yours faithfully
