Water resources Dept. Pune reg no 1/2020-21

5) No & Date of Administrative approval: - Original approval by Irrigation Dept. Govt
Resolution no URM/1081/23(2350) AIR I Dt. 25/06/1981

6) Period of work on forest land

a) Date of Starting the Work; 23/01/2023

b) Date of stopping the Work . 24/01/2023

7) Period of work on non- forest land

a) Date of Starting the Work;- 20/01/2023

b) Date of stopping the Work 24/01/2023

8) Detail of work done on forest land

Sr. No	Item	Forest land involved in the item	Extent of work done in violation on Forest land	Amount Sanctioned on the item	Amount spend on violation on the item	Remark
1	2	3	4	5	6	7
1	Laying of underground gravity water 50 mm to 1600 mm dia P.C.C. P. / B. W. S. E/ H.D. P. E. type pipeline for Agricultural use	27.297 ha.	690 x 1.20 = 0.0828 ha +	16490.61 Lakhs	Rs. 2484 /	Offence booked u/s 26 (1) D G of IFA 1927 No 1/2023 date 24/01/2023 Trench of size 690 rmt X 1.20 for laying of pipeline. the trench was refilled by soil. Land made Good. The Offence has been compounded & finally disposed of
		27.297	0.0827	16490.61	2484/	

9) Details of work -

Item of work= digging trench for Laying of underground water pipeline.	Qty. In Raining meter	Expenditure including M/S + wages.	Period of work Done
a) For forest land	690 x 1.2 = 828 sq mt	828 x 8 = 2484/	23/01/2023 tp 24/01/2023
b) For non-forest land	4000 x 1.2 = 48000 sq mt	4800 x 3 = 14400/	.20/1/2023 to 24/ 01/2023
Total	48828 sq mt.	16,884.00	

10) Name of officer responsible

Name of officer	Designation	Period of violation
-----------------	-------------	---------------------

Project Authority 1) Erashad Shabbir Jamadar 2) Vaibhav Nagorav Jagrut Forest Dept. -Nil	Jr. Engineer , IHP Company Miraj JCB Driver	23/01/2023 to 24/01/2023
--	--	-----------------------------

11) Where the violation case files in the criteria's:- No

Specified in G.R. 475/ Part 2/F10 Dt. 21.9.1991.

i)) If yes in which Para:- nil

ii)) If not why :- nil

12) Action taken by the agency against the officers' responsible for violation.

- No Action has been taken of Officer of Project Authority because,

- 1) Works of laying of underground gravity pipeline was allotted to contractor I.H.P. Company Miraj and as User Agency has given prior letter to company not to do work in forest land and boundary of forest has been shown them at time of Site Visit of proposal under F C A 1980.
- 2) No felling of trees has been done for this works.
- 3) User Agency has taken precautionary measures for no violation.
- 4) Work has been stopped as per instruction given by local forest guard.

13) Enclosed herewith following document.

- 1) A note regarding circumstances under which the work of digging trench for laying of underground gravity pipeline undertaken in violation of the forest (Cons.) Act, 1980.
- 2) POR (Offence Report)
- 3) Offence compounding Order
- 4) Fine deposition form no 14 (challan)

It is certified that the information in foregoing Para's is verified by me and found correct.

Place- Satara

A. U. Kashid
Executive Engineer
Urmodi Dam Division, Satara
(Amar Kashid)

14) Deputy Conservator of Forests, Forest Division Satara's remarks as to whether He is agrees with the above details

Agree with above detail given by Project Authority. The work of digging of trench for laying of underground gravity water pipeline has been stopped and offence has been booked by the field staff. This office has given letter to take action agents. Offender as per provisions in law.

The proposal is recommended on following conditions.

(a) with recovery of twice NPV as penalty from Project Authority.

(Aditi Bhardwaj)
Deputy Conservator of Forests
Forest Division, Satara

15) Remarks of Chief Conservator of Forests (T) Forest Circle Kolhapur.

Chief Conservator of Forest
(T) Kolhapur

16) Remarks of Principal Chief Conservator of Forests M.S. Nagpur. –

Short Note
(Regarding violation of Forest (Conservation) Act, 1980)

Urmodi big project or scheme in Satara district was constructed as mud Dam. It is tributary of Krishna River Under the same project, about 5 km south of Urmodi Dam. off socks Ambale (Dist-Satara) near the Nala Karahina Ambale earthen dam (complementary reservoir) make is proposed

The project is under Maharashtra Krishna Valley Development Corporation, Pune, under the "rest of Maharashtra Region" The Urmodi Irrigation Project contemplated to provide irrigation facility to the command area of 83000 ha in Satara Taluka, and 9725 ha each of Khatav and Maan Taluka which is a drought prone area. Total 27750 ha. in Satara Dist. will benefit through flow and lift irrigation. As major of project falls under drought prone area of Satara Dist. So this Project is included under Central Govt." **BALIRAJA JALSANJIVANI SCHEME**

The details of the original administrative approval of the Urmodi major project Govt. Resolution No. URM / 1081 / 231(2350) AIR (I), dt. 25.6.1981

As proposed project is supply of water through gravity pipeline needs different size from 50 mm to 1600 mm dia. P.C.C. P. / B. W. S. E/ H.D. P. E. type pipeline. So detailed contour survey has been done and it is observed that the underground pipeline will be passing through 25 forest patches in 8 villages the total 28.297 ha forest land and 428.266 ha non-forest land required for this proposal For laying underground different dia. Pipeline digging of trench width will be approx. one and half time of wide dia of pipeline & depth is as per level for easy flow of gravity water. The material dogged out will be placed on one side of trench and to carry the heavy pipe required about 6 to 9 mt wide temporary carriage way for carry and fitting. Pipe by crane, so the width of forest land required for laying underground

pipeline varies 10 mt to 20 me wide. After completion of laying the pipeline, the trench will be refilled again. As per need stop valve, sluice valve, scour valve, pressure relief valve and air volve will be fitted to pipelines as per requirement.

User Agency has submitted proposal to Forest Dept. and Govt Of Maharashtra has recommended and forwarded proposal record to IRO office under MoEF & CC at Nagpur. and IRO office has requested to comply on shortcoming in the project.

Meanwhile Urmodi Dam work has been allotted to IHP Company Miraj, and In Mhaswad village the contractor has started work in the non-forest area and about 690 mt long x 1.20 mt wide trench has been dogged by contracted. This work in forest has been done due to misunderstanding of forest and non-forest land. This work was no done by deliberately by contractor. User Agency has given written letter not to violate the forest law and also not to do start work in forest area . Work has been stopped as per instruction of Forest Guard, Mhaswad. Hence there is no need of take action on responsible person / offices of Project Agency or Forest offices responsible for violation of forest law and rules. The detailed inquiry of forest offence has been done by Inquiry office and the case was compounded by authorised officer. Contractor has deposited amount Rs. 45109/ as compensation against offence by the challan no 0010221 dt. 22/02/2023, now forest offence has been closed by forest dept.

As the above facts there is no need to act against officers /staff of user Agency and forest offices for the violation work in forest land.

User Agency will start work of laying underground water pipeline after sanction from Central Govt.
