

### Clarification about Vegetation gets effected during the Filed verification

On behalf of **Telesonic Networks Ltd.**, Kolkata, West Bengal state we undertake the following clause for the below mentioned route; -

Our Proposed plan is OFC laying along the National highway through Horizontal Direction Drilling (HDD) method. Since NH road Asphalt very close to forest land so that may be certain shrubs vegetation gets effected during HDD pit and HDD machine movements. (HDD pit size is 1.65 Mtr Depth x1.00 length x0.7 Mtr Width) pit to pit distance as per the given drawing.

We here undertake that if any damage occurred then we are liable to pay to the concerned agency or we are agreed to follow your guidelines on this matter.
