with respect to the above subject and the EDS raised for the Forest Proposal
FP/KA/OFC/143839/2021 and as per the letter we discussed with Sri Eregowda Y.K – Range Forest
Officer and we sent the mail to Monitoring Cell FC. Further we got the reply as follows:

“ Dear Sir,

As per trailing mail, there is no Wildlife proposal linked with FC proposal FP/KA/OFC/143839/2021 so the provision
to change area is available to the Nodal Officer before Stage-I. Before raising the EDS, the Nodal Officer needs to
change the area details through login. The area can only be changed when the proposal is pending at the FC
authority. So kindly first reply to the EDS and ask the Nodal Officer to change the area before raising EDS.

Regards,

According to FC Monitoring cell instructions we have changed the area statement, maps,
KML and same has been uploaded but we are unable to change area in the proposal and as per
Monitoring Cell instructions it may be edited at Nodal Office Login. Please pursue the same and
do the needful.
