Public Works Department

No PWD-CSD-Forest Case/2020-21- 3426

Dated: 7-7-2021

To,

The Divisional Forest Officer,  
Dalhousie Forest Division,  
Dalhousie, District Chamba.

Subject: Diversion of 4.6497 ha of forest land in favour of HPPWD for the construction of Link Road from Nagali to Sanjap Kms 0/0 to 8/750 Kms, within the jurisdiction of Dalhousie Forest Division District Chamba, Himachal Pradesh (Online No. FP/HP/Road/44346/2020).

Dear Sir,

Kindly refer to the Observations raised by MoEFCC, Integrated Regional Office, Shimla vide Letter No. 08B/H.P./06/65/2021/F.C./121 dated 29.06.2021 on the subject cited above.

In this regard we hereby submit our Point wise reply as under :

1. The proposal involves 0.8397 ha of Non Forest Land for construction of Road. Muck Dumping has been proposed on 0.2387 ha of forest land. The local villagers were approached to provide Private Land for disposal of muck but as per villagers, they don't have enough land so the muck could not be disposed-off in their land. Moreover the people residing in the nearby areas are co-owners in small pieces of land, so it's not possible to identify private land for disposal-off muck in hilly terrain. So forest land has been identified for disposal-off muck along the road proposed. No felling of trees is involved in the area proposed for Dumping Sites. The vacant piece of land suitable for disposal of Muck and involving no felling of trees has been identified for the purpose. The Clarification in this regard is enclosed herewith.
2. The Point pertains to your division.
3. The Point pertains to your division.
4. The Point pertains to your division.
5. The Point pertains to your division.

Therefore we request you to kindly reconsider our proposal for diversion of 4.6497 ha forest land for the construction of the above cited road.

Yours truly,

  
Executive Engineer,  
Dalhousie Division,  
HPPWD Dalhousie
