FROM NAGALI TO SANJAP IN TEHSIL DALHOUSIE, DISTRICT CHAMBA (H.P.)**

CLARIFICATION FOR NOT PROVIDING PRIVATE LAND FOR DISPOSAL OF MUCK

The Proposed Link Road from Nagali to Sanjap will connect most isolated villages Dhar, Nuhin, Janoli and Sanjap in Tehsil Dalhousie, District Chamba (H.P.). The people residing in the nearby areas are co-owners in small pieces of land, so it's not possible to identify private land for disposal-off muck in hilly terrain. The local villagers were approached to provide Private Land for disposal of muck but as per villagers, they don't have enough land so the muck could not be disposed-off in their land. So forest land involving no felling of trees has been identified for disposal-off muck along the road proposed.
