Subject:-

Diversion of 1.9446 Hectare of forest land in favour of HPPWD for the construction of road from Sheguni to Bakatikather within the Jurisdiction of Anni Forest Division, District Kullu Himachal Pradesh.

Memo,

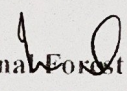

Kindly refer to your office Endst. No. 4386 dt. 20.01.2024 subject cited above.

The point wise reply of the observations/shortcomings is furnished as under:-

S. No	Observations	Reply
1	In Part -I, A-3 (xvii), the name mentioned in the authorization letter does not match the details of the person making the application	In this regard User Agency has stated that "As per the orders of the State Government, all the Executive Engineers of Himachal Pradesh Public Works Department have been authorized to obtain approval from the Forest Department under the Forest(Conservation) Act, 1980 and it cannot be made in the name of any particular person.
2	A Joint Inspection Report of the instant proposal may be provided	The Joint Inspection Report has been uploaded by UA against Sr. No. 03 of additional information column of Part-I.
3	The layout plan must include a legend and the proper dimensions of each component, such as Carriageway, Paved Shoulder, Earth filling, Drain, and Protection Work, as well as an area-wise calculation. Furthermore, the forest land and non-forest land involved in the proposal must be represented in the layout plan with distinct colors and need to be duly authenticated by the concerned DFO may be provided	The legend layout plan duly authenticated by DFO with proper dimensions of each component, such as carriageway, pave shoulders, earth filling, drains and protection works, alongwith area wise calculations and forest and non forest area in different colors has been uploaded by user agency against Sr. No. 04 of additional information column of Part-I.
4	The KML uploaded under column C of Part-I online required correction on the following points:- i. The KML file of the project site uploaded doesn't have clear demarcation for forest/non-forest areas. Hence, the KML file indicates Forest/Non-Forest areas need to be uploaded. ii. A fresh KML of the instant proposal need to be provided in the polygon form of the diversion area as the proposed area for diversion is 1.9446 ha, while the calculated area is 1.24 ha. iii. Need to revise DGPS according to the revised proposed project site KML.	Revised KML has been uploaded by user agency in appropriate column-C of Part-I
5	Out of 1.9446 ha area, 0.6222 ha area proposed for muck dumping which is huge in comparison with proposed area. It is noticed that plenty of NFL available in nearby area. We may request State Govt. to select non forest land for dumping.	The user agency has uploaded Undertaking regarding dumping site against Sr. No. 05 of additional information column of Part-I.

6	State govt. need to upload Land schedule, bar chart and geologist report	The user agency has uploaded Geologist report against Sr. No. 08 of additional information column of Part-I.
7	As mentioned in the Site Inspection Report of the concerned DFO, the UA must adhere to conditions for the management of Muck/Debris rolled down from the slope and accordingly may provide undertaking for the same duly c/s by the concerned DFO.	The user agency has been uploaded Undertaking regarding management of Muck/Debris rolled down from the slope against Sr. No. 07 of additional information column of Part-I.
8	State Govt. must ensure and prepare the conservation plan of all existing water sources/natural springs and drains within and adjacent to this site are free from interruption and contamination and the undertaking for the same may be provided.	All the existing water sources/natural springs and drains within and adjacent site will be protected and Undertaking regarding this has been uploaded against Sr. No 08 of additional information column of Part-II.
9	According to the Google Earth latest image data dated 11/2022 it seems that approx 1.8 ha is available for the new plantation/target plantation out of 1.94 ha. Need more vacant space i.e. 2.08 ha to fulfill the target plantation.	Revised KML file for CA scheme has been uploaded in appropriate column of Online Part-II.
10	The Status of Proposed CA land may be provided, whether it is a Govt. Wasteland is declared as PF under HP Govt. notification, 1952, or it is notified as UPF/DFP under IFA 1927.	The proposed CA land i.e. UPF Sharti is Lled Undemarcated Protected Forest (As per the working plan)

This is for favour of information and further necessary action please.
