Ref. No. PIDB/MD/2020/.....2726-30
Date.....17/07/2020.....

To

Principal Chief Conservator of Forest,
Department of Forest,
Mohali.

Sub: Development of International Standard Tourism/Theme Destination in Punjab on Pathankot - Dalhousie road around Ranjit Sagar Lake.

This is in reference to letter no. FCA 1980/347-49, dated: 06.07.2020 wherein you have asked reply against the observations (Received from MoEF, No. 9-PBC303/2019-CHA dated: 26.05.2020 (**Enclosed**) regarding Ranjit Sagar Lake Project for sending replies within 30 days of issue of letter.

The replies to the queries are as under:

Sr. No.	Observations	Replies
1	Total Area of Kulara Island (7.49 ha) + Niloh Tika Palangi (22.7) + without name KML (6.82 ha) is approx 37.01 ha instead 30.25 ha. It is not understood why the additional KML (without name) for 6.82 ha has been sent alongwith other area details? Revised KML with precise area to be sent.	The area to be diverted is 30.25 hectares. The KML file with no name is the forest land of 6.82 hectares adjoining to the proposed area of 30.25 hectares. This land (6.82 ha) is not be diverted. It has now been deleted and the PDF of KML of this adjoining forest land (6.82 ha.) has been attached in the additional documents.
2.	DEM PDF file attached in additional information point no. 14 and 24 in part-I online are not update/according to revised KML shape.	Only the final DEM file with revised KML has been uploaded now. The old one has been deleted from the portal.
3.	State Government may also clarify the observation inserted/made by User agency/Nodal officer, (FCA) in their letters stating "The honourable REC	Enclosed Undertaking with DPR

482/-

<p><i>Misconstrues the DPR with respect to permanent structure which was only related to Landscape Design and not in general."</i> This point which was made in reference to Kulara Island, has to be placed before the REC in its future meetings/Deliberations.</p>
