Subject: Regarding Aerial distance for Existing Location

Sir,

ONGC has submitted a proposal of FC for creating Surface facilities at the Existing location of Suphayam-1. I would like to bring to your notice that Suphayam-1 is the existing location for which we have FC and the land is still in possession of ONGC. Since, ONGC wish to create Surface Facilities at this existing location application for Fc has been moved.

In EDS dt. 15.07.2019, it is been asked to provide aerial distance from the nearest Tiger Reserve/ National Park/ Wildlife sanctuary. Since, it is existing location, same may not be required. Hence, it is requested to consider the application.

Submitted for your information please.
