**Subject: - Reply against Letter No: - I/563839/2023 Dated 17/05/2023 against diversion of 0.0025 ha of forest land for approach road to Century Plyboards (India) Limited situated at village Daulowal Dasuya road Hoshiarpur.**

R/Sir,

Refer to your letter no: - I/563839/2023 Dated 17/05/2023, please find below the reply against query raised by you: -

1. **Is the present access applied for the same as the one existing or is it nearby? Under what fact it is deduced that the existing access would be sufficient for the expanded unit: -** **Reply: -** We already have the permission to access the approach road as marked in green colour in MAP. We require the additional approach road (marked in Red colour in MAP) because the movement of heavy vehicles is very high in our plant and the already approved area is insufficient to handle the movement of heavy vehicles.
2. **After examining the layout plan enclosed with the proposal it seems that there is no other existing access in the vicinity, in which case the present proposal is valid: -** **Reply: -** In layout plan, only proposed area is mentioned, now revised layout plan is attached for your reference under this the already approved area is mentioned in "Green Colour" and Proposed Area is mentioned in "Red Colour".

Kindly acknowledge the above mentioned as our reply against query raised.

Thanking You,

For Century Plyboards (India) Limited
