Sl.No	Details	Forest Dept Remarks	Reply / Explanation
4.		Copy of Survey of India topo sheet indicating boundary of forest land proposed to be diverted has been uploaded. But the map uploaded by the user agency is not readable, since the user agency has zipped the very large combined map to smaller one. User agency is requested to upload the clear copy pertaining to the Tamil Nadu state area and to furnish hard copy of the map.	The transmission line length is 340km consisting of a large toposheet of size >40MB. Due to the size restriction of the web portal the map is compressed and uploaded. Copy of map pertaining to Tamil Nadu state area is uploaded and hard copy furnished for ready reference.
5.		The User Agency has uploaded a copy of alternative examined for the project. But the map uploaded by the User Agency is not readable, since the User Agency has zipped the very large combined map to smaller one. Hence the User Agency is requested to upload the clear copy pertaining to the Tamil Nadu State area and to furnish hard copy of the map.	Copy of map with alternatives is again uploaded and hard copy furnished for ready reference.
6.	K.(i)	The User Agency is requested to obtain and upload the certificate of District Collector for completion of settlement of rights under the Forest Rights Act, 2006 on the forest land proposed to be diverted in the segment-K-i.	Request letter submitted to District Collector, Vellore & Dharmapuri Districts and the FRA certificate will be submitted once obtained in due course. Copy of the request letter is uploaded & attached for ready reference
7.	Further the User Agency is requested to furnish the following certificates.		
(i)		Certificate from the District Collector about non availability of non-forest land for the project and all alternative have been examined for the project and not feasible except the forest crossing with minimum forest area requirement.	Request letter submitted to District Collector, Vellore & Dharmapuri Districts and the certificate will be submitted once obtained in due course.
(ii).		Undertaking to bear the cost along with any escalation for exploitation of trees in the forest land to be diverted to the	Undertaking furnished
