

Government of Arunachal Pradesh
DEPARTMENT OF ENVIRONMENT & FORESTS
OFFICE OF THE CHIEF CONSERVATOR OF FORESTS
SOUTHERN ARUNACHAL CIRCLE, DEOMALI

No. SAC/Dev-73/2016/4074-77

Dated Deomali the ...10~~th~~ Nov/2016

To,

✓ The CCF (CONS),
& Nodal Officer (FCA)
O/O PCCF & Prl.Secy.(Env.& F)
Govt. of Arunachal Pradesh,
Itanagar

Sub: - Submission for Diversion proposal in respect of project No.DML-3 Namsang village of Oil India Ltd. Duliajan.

Ref: - DFO Deomali's letter No.DD/IND/09/05/1599-602 dtd. Deomali the 21th Sept/2016.

Sir,

This is to forward herewith the diversion proposal in respect of project No.DML-3 (Namsang village) of Oil India Ltd. Duliajan for Diversion of 3.60 hect. Forest land under Namsang village Deomali Forest Division, Deomali for Oil drilling site (Project No.DML-3) alongwith the following documents in triplicate for your kind information & further necessary action please.

- 1) Application of user Agency Oil Duliajan (form-A Annexure-I & II)Annexure-I
- ii) Form part-II dully filled up by the DCF. Annexure-II
- iii) List of trees enumerated with botanical name Annexure-III
- iv) Class wise volume of enumerated trees Annexure-IV
- v) Valuation of enumerated trees Annexure-V
- vi) Valuation of enumerated NTFP Annexure-VI
- vii) Certificate Annexure-VII
- viii) Site inspection Report of DCF Annexure-VIII
- ix) NPV calculation sheet Annexure-IX
- x) Topo Sheet showing Oil drilling site DML-3 Annexure-X
- xi) Topo sheet showing CA plantation plot Annexure-XI
- xii) Sketch map for CA plantation (scale 1:200M)Annexure-XII
- xiii) Detailed estimate for CA plantation Annexure-XIII
- xiv) Part - III dully filled up by the CCF

Encl: - As above.

Yours faithfully,

(R.K. Deori)
Chief Conservator of Forest
Southern Arunachal Circle
Deomali

Copy to:-

- 1) The DFO, Deomali Forest Division, Deomali for information. This has reference to his letter under reference.
- 2) The Head-NEF, Oil India Ltd. Duliajan (Assam) for information.
- 3) The Chief of Namsang village Deomali for information.

(R.K. Deori)
Chief Conservator of Forest
Southern Arunachal Circle
Deomali

Part – III

(To be filled up the concerned Chief Conservator of Forests)

14. Whether site, where the forest land involved is located has been inspected by the concerned Chief Conservator of Forests (Yes/ No), if yes, the date of inspection & observations made in form of inspection note to be enclosed)	:	No site inspection has been done by CCF as because it is not applicable.
15. Whether the concerned Chief Conservator of Forests agree with the information given in the Part – B and recommendation of Deputy Conservator of Forests!	:	Yes, agree
16. Specific recommendations of concerned Chief Conservator of Forest for acceptance or otherwise of the proposal with detailed reasons	:	This project is for exploration crude oil in the interest of the Nation. Moreover this project will provide employment opportunity to local people. Hence, it is recommended for taking up the project.

Date: - 10/11/2016

Place : - Deomali

(R.K.Deori)
Chief Conservator of Forest
Southern Arunachal Circle
Deomali

FORM-'A'**Form for seeking prior approval under Section -2 of the proposals
by the State Governments and other authorities.**

PART-I

(To be filled up by the user agency)

1.0 Project Details:

- i. Short narrative of the proposal and Project / scheme for which forestland is required : Area of 3.60 Hectare of Forestland under Deomali PEL area required for Oil India Limited's drilling location named as 'Loc. DML-3' falling in Namsang Social Forestry Area, Tirap District, Arunachal Pradesh
- ii. Map showing the required forestland boundary of adjoining forest on a 1:50,000 scale map : Map in 1:50,000 scale enclosed.
- iii. Cost of the Project : Rs. 18.00 Crores (approx)
- iv. Justification for locating the project in forest area. : Oil India Limited is a Public Sector undertaking engaged in exploration, production and transportation of Crude Oil and Natural gas. The drilling location 'DML-3' is selected after extensive Geological studies & interpretation of data obtained through seismic survey, which indicate strong possibilities of presence of hydrocarbon in location. Since the location is scientifically determined based on geoscientific data, it is not possible to change the site
- v. Cost benefit analysis (to be enclosed) : Not applicable.
- vi. Employment likely to be generated : Indirect generation of jobs for the local youths during the site preparations as well as drilling phase for peripheral jobs in unskilled category. There is also possibility of jobs being generated and growth of ancillary industries if hydrocarbon is commercially produced. However, the exact number of jobs created in the project cannot be computed.

- 2.0 Purpose-wise break-up of the total land required. :
- | | |
|-------------------|----------------|
| i. Plinth: | : 2.60 hectare |
| ii. Flare | : 0.16 hectare |
| iii. Boiler | : 0.04 hectare |
| iv. Approach Road | : 0.80 hectare |

Total : 3.60 hectare

- 3.0 Details of displacement of people due to the project, if any? : Not applicable
- i. Number of families : Not applicable
- ii. Number of Schedule castes / Schedule tribes families : Not applicable
- iii. Rehabilitation plan (to be enclosed) : Not applicable
- 4.0 Whether clearance under Environment (Protection) Act, 1986 required? Yes / No : Yes
- 5.0 Undertaking to bear the cost of raising and maintenances of compensatory afforestation and / or penal compensatory afforestation as well as cost for protection and regeneration of Safety Zone, etc. as per the scheme prepared by the State Government (undertaking to be enclosed) : Undertaking enclosed (Annex. I & II)
1. Net present Value
3.60 hectare @ Rs. 9.39 Lakh/ha
(Rs. 9,39,000 x 3.60) :-
Rs. 33,80,000.00 (approx.)
2. Cost of Compensatory Afforestation
3.60 hectare @ Rs. 38,989.81/ha
(Rs. 38,989.81 x 3.60 x 2) :-
Rs. 2,80,000.00 (approx.)
- Total: Rs. 36,60,000.00 (approx.)
- 6.0 Details of certificates / documents enclosed as required under the instruction : i. Map as in Sl. No. 1.0 (ii) above.
ii. Undertaking vide Annex. I & II as in Sl. No. 5.0 above.

Rehul Dasgupta 25/10/2013

(Dr. R. Dasgupta)

GENERAL MANAGER-NEF

OIL INDIA LTD, DULIAJAN-786602

Date : 25.10.2013
Place : DULIAJAN

State serial No. of proposal.....
(To be filled up by the Nodal officer with date of receipt)

TO WHOM IT MAY CONCERN

We do hereby undertake to bear the cost of raising and maintenance of compensatory afforestation and /or penal compensatory afforestation as well as cost for protection and re-generation of Safety Zone, etc. as per the scheme prepared by the State Government for diversion of 3.60 hectare of Forestland for Oil India Limited's drilling location named as Loc. DML-3 in Namsang Social Forestry Area, Tirap District, Arunachal Pradesh.

Rahul Dasgupta

(Dr. R. Dasgupta)
GENERAL MANAGER -NEF
OIL INDIA LIMITED, DULIAJAN

Date: 25.10.2013
Place: DULIAJAN

TO WHOM IT MAY CONCERN

We do hereby undertake the following -

- (i) To bear the cost of raising & maintenance of Compensatory Afforestation (CA) plantation for double the area of land proposed for diversion for Loc. DML-3.
- (ii) Payment of Net Present Value (NPV).

Rahul Dasgupta

(Dr. R. Dasgupta)
GENERAL MANAGER -NEF
OIL INDIA LIMITED, DULIAJAN

Date: 25.10.2013
Place: DULIAJAN

PART II

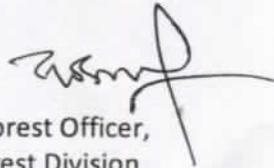

(To be filled by the concerned Deputy Conservator of Forests)

State serial no of proposal.....

7. Location of the project/ Scheme : Namsang Village, DML -3 by Oil India Ltd. Duliajan (Assam).
- (i) State /Union Territory : Arunachal Pradesh
- (ii) District : Tirap
- (iii) Forest Division : Deomali Forest Division, Deomali.
- (iv) Area of forest land proposed for diversion (in Ha.) : 3.60 Ha.
- (v) Legal status of forest : USF
- (vi) Density of vegetation : Eco- Class I (Dense Forest)
- (vii) Species-wise (Scientific names) and diameter class-wise enumeration of trees(to be enclosed. In case of irrigation / Hydel Project's enumeration at FRL, FRL2 meter & FRL -4 meter are to be enclosed) : Enclosed at Annexure -
- (viii) Brief note on vulnerability of the forest area to erosion. : Diversion proposal is being sought for oil drilling purposes, so there is negligible chance of erosion.
- (ix) Approximate distance of proposal site for diversion from boundary of forest. : Proposed site is well inside Namsang USF.
- (x) Whether forms part of National Park, Wildlife Sanctuary, Biosphere Reserve, Tiger Reserve, Elephant Corridor, etc. (if so, the details of the area and comments of the Chief Wildlife Warden to be annexed) : It falls under Namsang USF and does not constitute any National Park, Wildlife Sanctuary, Tiger Reserve and Protected Forest.
- (xi) Whether any rare/endangered /unique species of flora and fauna found in the area, if so, details of corridor thereof. : No.
- (xii) Whether any protected archaeological / heritage Site/ defence establishment or any other important monument is located in the area. If so, the details thereof with NOC from competent authority, if required. : No.
8. Whether the requirement of forest land as proposed by the user Agency in col-2 of Part-I is unavoidable and barest minimum for the project. If no, recommended area item-wise with details of alternatives examined. : Yes, it is unavoidable and barest minimum requirement for oil drilling.
9. Whether any work in violation of the Act has been Carried out (Yes/ No) . If yes, details of the same Including period of work done, action taken on Erring officials. Whether work in violation is still in Progress. : No.

10. Details of compensatory afforestation scheme : Enclosed at Annexure -
- (i) Details of non-forest area/degraded forest area Identified for compensatory afforestation, its patches , size of each patch site. : Total area of 7.2 Hectare identified in degraded forest of Namsang VRF.
- (ii) Map showing non-forest / degraded forest area identified for compensatory afforestation and adjoining forest boundaries. : Map showing area of proposed CA plantation (Scale 1:200) is enclosed at Annexure-
- (iii) Detailed compensatory afforestation scheme i/c species to be planted, implementing Agency, time schedule, cost structure etc. : Detailed estimate along with time schedule is enclosed at Annexure-
- (iv) Total financial outlay for compensatory afforestation scheme : ₹17,84,159/-
- (v) Certificates from competent authority regarding Suitability of area identified for compensatory afforestation and from management point of view (To be signed by the concerned Deputy Conservator of Forests) : Certificate enclosed at Annexure -
11. Site inspection report of the DCF (to be enclosed) especially highlighting facts asked in col 7 (xi, xii) 8 and 9 above. : Site Inspection Report of DCF enclosed at Annexure-
12. Division/District Profile : 2362 Sq.km
- (i) Geographical area of the Division : 447 Sq.km
- (ii) Forest area of the district :
- (iii) Total forest area diverted since 1980 with number cases. : 25.22 Ha- 1 (one) case only against 220 KV Power Station of Power Grid Corporation
- (iv) Total compensatory afforestation stipulated in the district / division since 1980 on :
- (a) Forest land including penal compensatory afforestation : Nil
- (b) Non forest land : 25.22 Ha.
- (v) Progress of compensatory afforestation as on date :
- (a) Forest Land :
- (b) Non-forest land. : 25.22 Ha.
13. Specific recommendation of the DCF for acceptance Or otherwise of the proposal with reasons. : The diversion of forest area is sought for oil drilling. If oil is available then it would generate revenue for the state as well as benefit the country besides fulfilling the global demand of oil & petroleum products.

CERTIFICATE

This is to certify that the plot of land measuring 07.2 ha (double the area of proposed diversion site) falls under Namsang VRF. The identified area is degraded forest land and is suitable for raising compensatory afforestation against the diversion of forest land of oil drilling site (DML-3). The selected CA area is ideal for management purposes.

(C. Simai) DCF
Divisional Forest Officer
Deomali Forest Division

SITE INSPECTION REPORT BY CONCERNED DEPUTY CONSERVATOR OF FORESTS

- | | | | |
|----|---|----|---|
| 1. | Name of the Project | :- | Namsang Village, Deomali, DML-3 by OIL India Ltd. Duliajan (Assam) |
| 2. | Whether any rare/ endangered/ unique Species of flora and fauna found in the area if so details thereof. | :- | No endangered species/ flora & fauna seen in the proposed diversion area |
| 3. | Whether any protected archeological/ heritage site/ defense establishment of any other important monument is located in the area. If so, the details thereof with NOC form competent authority, if required. | :- | No. |
| 4. | Whether the required of forest land as Proposed by the user agency in col. 2 of part-I is unavoidable and barest minimum for the Project. | :- | Yes, it is unavoidable and barest minimum requirement for oil drilling. |
| 5. | Whether any work in violation of the Act has been carried out (Yes/ No). If yes, details of the same including period of work done, action taken on erring officials. Whether work in violation is still in progress. | :- | No. |
| 6. | Rehabilitation and Relocation of affected people. | :- | NIL |
| 7. | Soil erosion / Vulnerable Areas | :- | Diversion proposal is being sought for oil drilling purposes, so there is negligible chance of erosion. |

NET PRESENT VALUE CALCULATION SHEET OF PROPOSED DRILLING SITE , NAMSANG VILLAGE (DML-3) .

Calculation of Net Present Value (NPV) of the proposed drilling site in Namsang Village.

Value of the proposed land to be diverted consisting of tree etc. as follows :-

1. Total area of proposed site :: 3.60 ha.
- NPV Calculation :: ₹ 9,39,000.00 (Eco-Class I Dense Forest) x 3.60 ha
= ₹ 33,80,400.00 lakhs

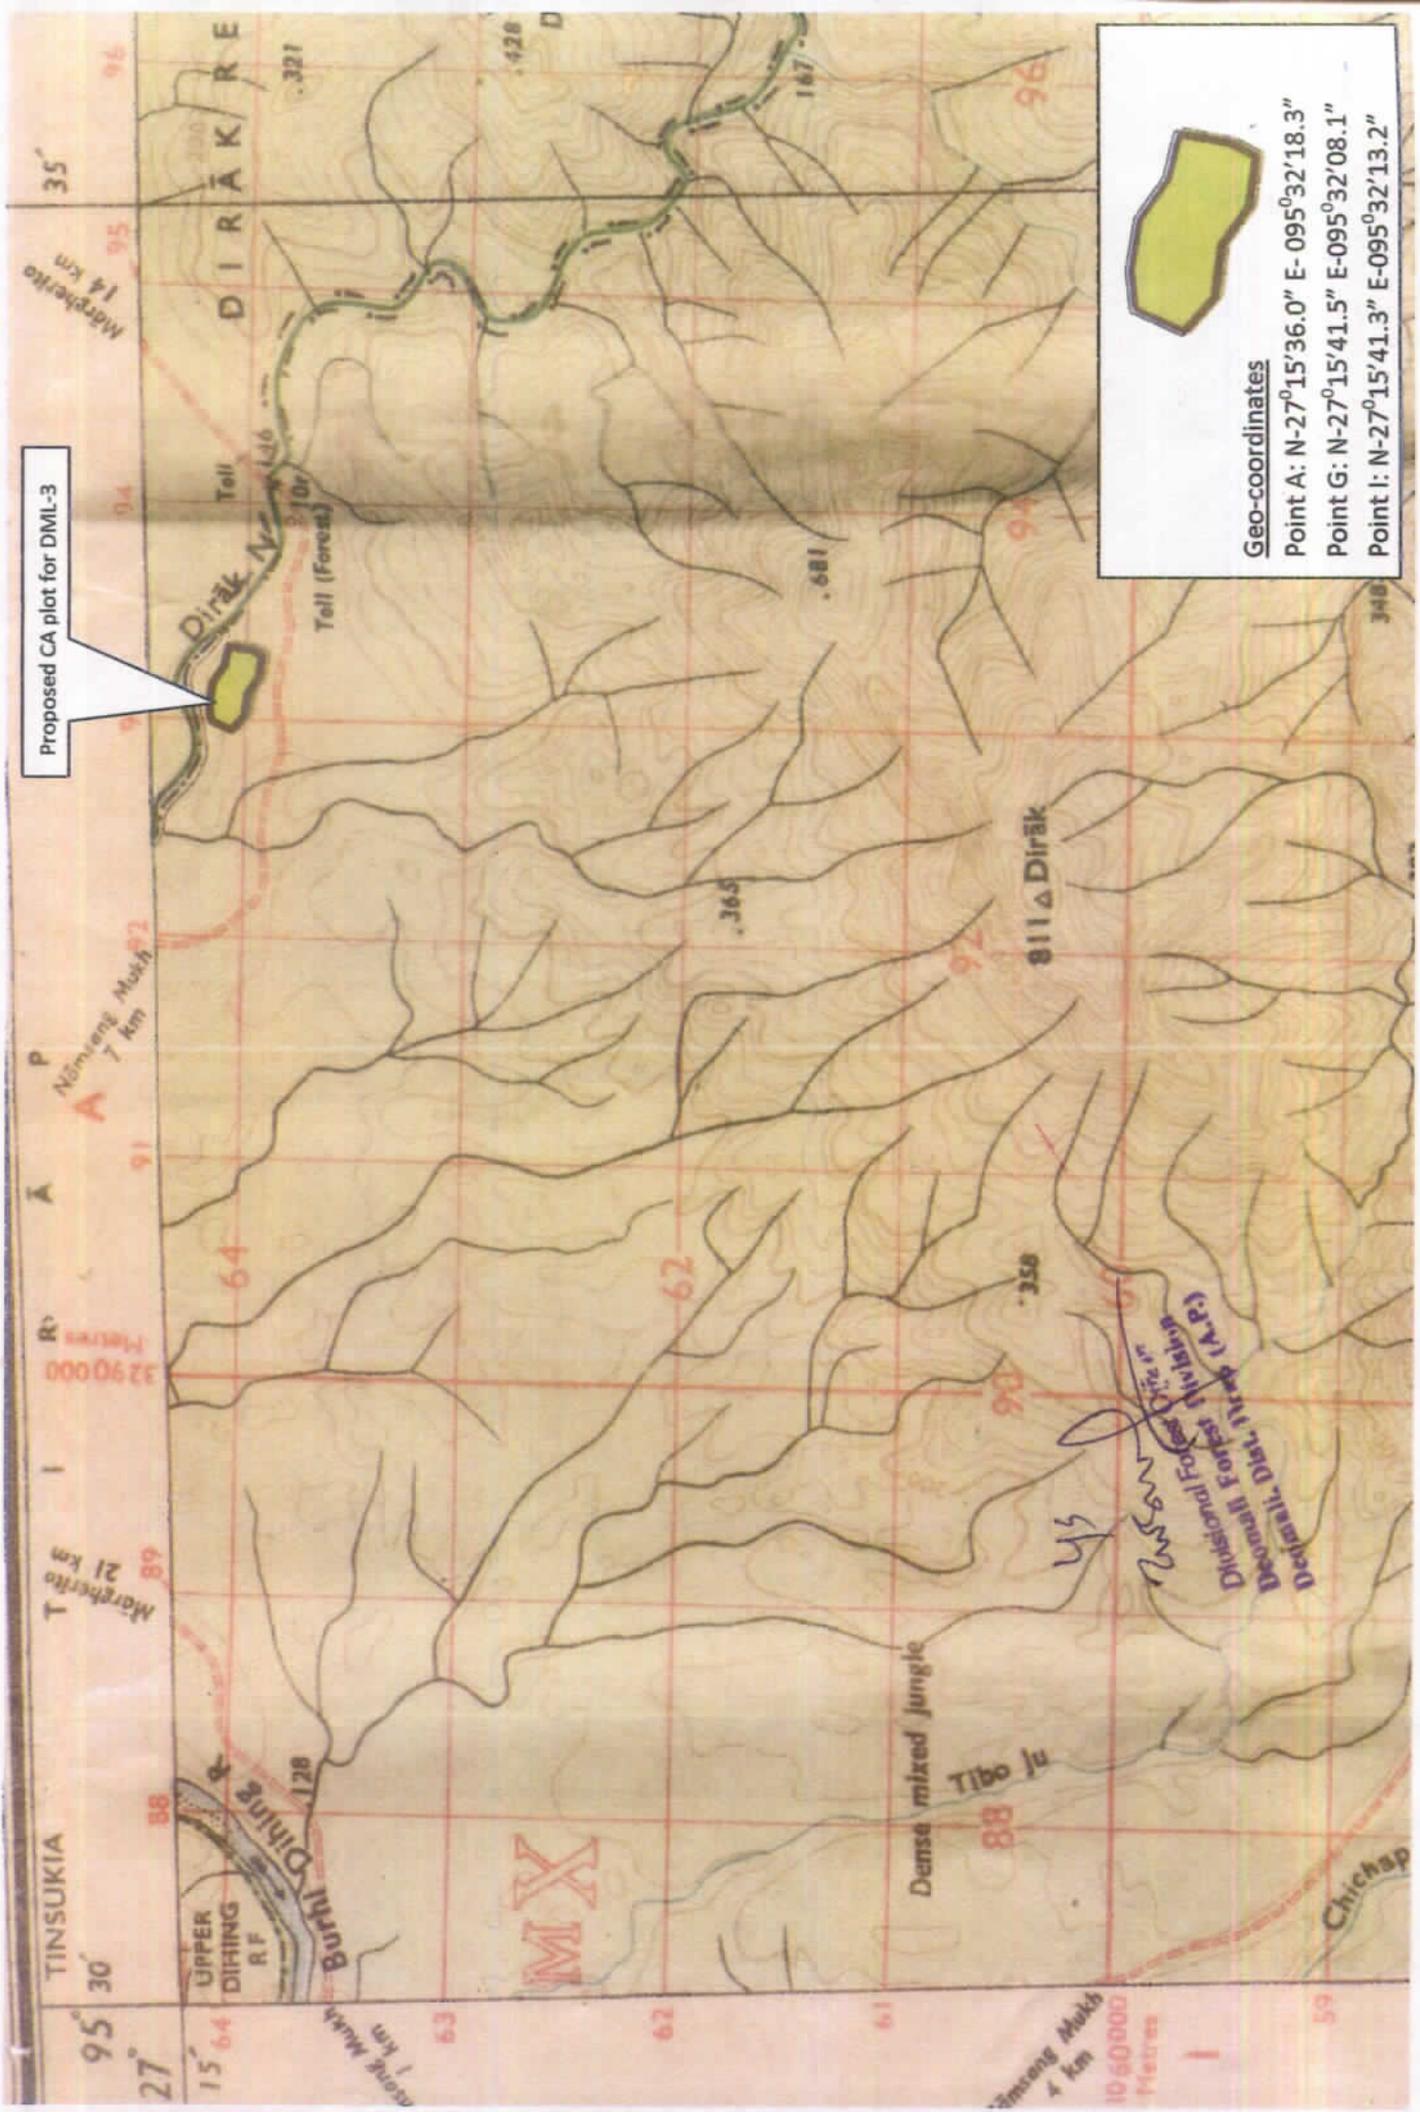

NB :- Rate calculated as per GOI's guideline issued under Memo no. 1-19/CEC/ SC/2006- Pt . Dated 05.06.2008.
