**Sub:-Permission For laying of Optical Fiber Cable From TE Dasuya to Sandhwal Turn Hajipure (20 Km approx.)**

Bharat Sanchar Nigam Limited has planned to Lay OFC from **TE Dasuya to Sandhwal Turn Hajipure (20 Km approx.)**. As in this link there is an old working cable of 12 fibers, the maintenance of the cable become difficult for BSNL.

As you are familiar that there is NOFN project in Hajipur block and this cable is backbone connectivity, along the road a trench of 165 cm depth & 45 cm width will be dug for laying of OFC. OFC Cable laying in PWD Road and PWD berm only.

As the OFC Cable between this section is very important for Panchayat connectivity for Hajipur block will work on this cable. So it is requested that necessary permission for laying OFC in area under your control may kindly be accorded and copy of the permission from Principal Chief Conservator of Forest, Forest Bhawan, Mohali is attached herewith.

Your kind co-operation and any suggestion for smooth and proper execution of work on this scheme are invited

**SUB DIVISIONAL ENGINEER  
TELECOM PROJECTS,  
KATHUA**
