Proposal No: FP/ML/IRRIG/41289/2019

Name of Project: Hydrological Observation Station

It is to state that the forest land proposed for diversion under Forest Conservation Act, 1980 in Chimabangshi Reserved Forest, Dainadubi Range, North Garo Hills, Meghalaya for construction of Construction Hydrological Observation Station at Satmile by the Office of Executive Engineer, North Garo Hills, Water Resources Division, Resubelpara, North Garo Hills vide proposal under reference is located in the North Garo Hills District. Whereas, since there was no option in Parivesh Portal (<https://parivesh.nic.in/>) for choosing North Garo Hills District, since the North Garo Hills was carved out of erstwhile East Garo Hills only in 2012. Thus, the User Agency and Undersigned have chosen the District Name as East Garo Hills. But the data provided under District Profile section in Part – II of Form A is pertaining to the North Garo Hills District.
