ESSENTIAL DETAILS SOUGHT LETTER

As per the Query for Essential Details Sought by Forest Department, Under Section C(iii); stating that No. of Poles as stated in Geo-Reference Map do not tally with the SoI TOPOSHEET; it is hereby intimated that the No. of Poles stated in Geo-reference map actually tally with the SoI Toposheet. The map uploaded in Online portal is of the Scale of 1:50000, so the co-ordinates of Poles gets over-lapse with other Poles. As for rectification, additional map with rectified scale for Tawang to Y-Junction 33/11 Kv Distribution Line is uploaded at the same.

Date: 12/07/2018

Place: Tawang
