Subject: Proposal for Diversion of 3.3771 ha. Of forest land in favour of M/s Himprabha Power Pvt. Ltd. Village Karnguhi. P.O. Panthera. Tehsil Ghumarwin Distt. Bilaspur H.P for c/o lower Kurpan-II Small Hydro Electric Project within the jurisdiction of Ani Forest Division Distt. Kullu HP.

Sir,

With reference to your office letter no. 460 dated 01/05/2018 the following observations has been raised by your office, as we have given the justification regarding observations as given below.

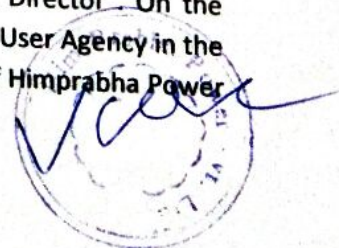

Observation 1 :- Short narrative of the project uploaded at Para- A-1 (iii) does not give adequate information of the project.

Justification – Short narrative of the project has been corrected online.

Observation 2 :- At A 1 (x) Part 1 online , Total period for which diversion is required is not filled.

Justification – Total period of the project has been corrected.

Observation 3 :- The authority letter to file the application uploaded at A-3 (xvii) Part-1 online is in favour of the organisation / company called KMN Engineering Consultant Pvt. Ltd. Whereas the application is filed by Veena Kumari , Managing Director . On the other hand , all papers /certificates required to be signed by the User Agency in the hard copy have been signed by various other representatives of Himprabha Power Pvt. Ltd. State govt may remove this discrepancy .

Justification – New authority letter has been made and same has been uploaded online.

Observation 4 :- Instead of giving village wise breakup , Forest Division wise breakup of the forest land proposed for diversion has been provided /uploaded online at Para-B 2.3 Part-1 .

Justification – Village wise breakup has been corrected on online portal.

Observation 5:- Component wise breakup of area proposed for diversion separately for all individual project components indicated in the digital map provided with the hard copy may be uploaded at Para-B 2.4 Part-1 online instead of clubbing the area of more than one components together.

Justification – Component wise Breakup of area has been corrected online as per the Digital Map.

Observation 6 :- The KML file for each component is uploaded separately in Part-1 for Rampur and Ani forest Divisions which is not proper . The state Govt may upload a single KML file showing all the components of the project for both the Forest Divisions in Part-1 at Para-C (ii) b online .

Justification – Single KML File has been uploaded online as per guidelines of MoEF.

Observation 7 :- The geo-referenced digital map for area proposed for diversion uploaded at Para-C (iv) of online Part-1 is not found satisfactory though correct digital map is provided with hard copy of the proposal . State Govt may upload the digital map available in hard copy online at C (iv) Part-1 after indicating few more geo-coordinates for T/L specifically for each turning point .

Justification – Revised Digital Map with Geo-Coordinates has been made and same has been uploaded on MoEF Portal.

Observation 8 :- State Govt may provide / upload the Village Level committee meeting proceedings for khakrola and kumsu village and Sub- Divisional Level Committee meeting Proceedings for Shimla District at Para-K Part-1 online.

Justification – FRA including Village Level committee meeting proceedings for khakrola and kumsu village and Sub- Divisional Level Committee meeting Proceedings for Shimla District has been uploaded.

Observation 9 :- The NOC of village khakrola and kumsu may be provided / uploaded online as additional Document in Part-1 .

Justification – The NOC of village khakrola and kumsu has been provided / uploaded online as additional Document in Part-1 .

Observation 10 :- As directed by the ministry , the CA may be proposed over equivalent Non- Forest Land and not on double the area on Degraded Forest Land .

Justification – The CA has been proposed over equivalent Non- Forest Land.

Observation 11 :- Approximate distance of the site proposed for diversion is mentioned as 0.00 Km at Para -7 of Part -II online which does not appear to be correct . May provide distance of the proposed site , towards inside , from the boundary of the forest .

Justification – This Observation Pertains to DFO Office.

Observation 12 :- Details of wildlife present are not provided in Para-8 (i) of Part-II online for Ani Forest Division .

Justification – This Observation Pertains to DFO Office.

Observation 13 :- The total number of trees proposed to be Felled in Rampur Forest Division is 8 as per detail mentioned at Pg-41 of hard copy but this is not mentioned at Para-4 of online Part -II

Justification – This Observation Pertains to DFO Office.

Observation 14 :- The total number of trees proposed to be Felled in are shown as 114 at Para-4 of online Part -II for Ani Forest Division but as per Pg-48 of hard copy of the proposal , this number should be 106 only.

Justification – This Observation Pertains to DFO Office.

Observation 15 :-Though, a document placed in hard copy of the proposal at Pg-114 contains permission for Transmission through underground cable , it is not clear whether the proposed 22KV T/L is through bare conductor or through over head single armoured cable because the ROW is taken 4m in Rampur Forest division and 4.86 m Ani Forest Division which is not as per existing guidelines . May clarify as to what kind of T/L is proposed and revise the ROW for the same in accordance with the guidelines .

Justification – It contains permission for Transmission through Underground Cable.

Observation 16 :- Titles of documents uploaded as additional documents in Para-II online are not mentioned in the remarks column .

Justification – This Observation Pertains to DFO Office.
