

JUSTIFICATION FOR LOCATING THE PROJECT IN FOREST AREA

The formation of road Km 0/0-5/525 from Muniranvattam to Neckanamalai lies inside Necknamalai RF. It has been proposed for formation of road to Neckanamai Village. Nearly 650 People of Necknamalai will benefit for easy transportation of their needs and goods. During election also it very difficult to transport election material to neckanamalai. Due to non avialability of ease acess nearly 6 to 10 pregenant ladies facing death for every year. Childern can able get education up to elementary level only . To overcome all the problem the proposed road to be sanction for ease transportation of people to achieve basic needs. Accordingly the proforma proposal for diversion of 3.439 hectares of forest land in prepared and submitted for approval by Government of India under forest (Conservation) Act 1980.
