Subject – Reply to the query raised for diversion of 0.4928 ha. of forest land in Forest Sy. No. 215/A/1A Of Arav village, Savantwada Hobli, Karwar taluka, Uttar Kannada district for establishment of Building Stone quarry and its approach road in favor of M/s Sai Ram Enterprises, Gaonger, Majali, Karwar.

Ref – 1) Govt of India's letter No: 4-KRB 1396/2022-BAN/1031 dated: 05/06-12-2022.
2) Letter from the Office of the Deputy Conservator of Forests, Karwar division, No: B4/FCA/QRY/CR-25/2017-18 dated 10-02-2023.

Respected Sir/Madam,

I am writing this letter to you as a response to the query raised by the Govt. of India letter No. 4-KRB 1396/2022-BAN/1031 dated 5th/6th December 2022. Below are the clarifications for the observations made by the Govt of India –

- 1) As per the observation made by the Govt. of India the proposed area was surveyed for quarrying purposes and allotted to the User Agency by the DFO Karwar, as per the prevailing rules at that period. Accordingly permits were issued by the Department and user agency used to carry out quarrying activities after receiving the permits for the said land.

The proposed land appears to be degraded on the satellite imagery because the user agency had stopped quarrying activities at the said land once the process of permits/leasing had changed and have been trying to acquire a fresh lease ever since. The user agency has also previously applied to the Department of Mines and Geology (letter ref no. – UKD/DMG/QLA-03/2017-18/1733, which is already attached to the proposal) and through the offline process to the Forest department before the existence of Parivesh portal. We have also applied twice previously through Parivesh portal (FP/KA/QRY/19072/2016 and FP/KA/QRY/21872/2016) to acquire a fresh lease for the said land.

The land is also surveyed by the Department of Mines and Geology, Karwar and they have confirmed the presence of Ordinary Building Granite stone at this land and have also provided their consent letter for the same, we have attached a copy for your reference to this letter.

- 2) As per the observation made by the Govt of India the proposal submitted vide proposal No. FP/KA/ROAD/16625/2015 is submitted by a different User Agency and we have no connection with the concerned User agency. The road that we have proposed too leads to our private land having Survey Number 203/1A of Arava Village, Karwar taluka. The R.T.C for which has been attached to this letter for future reference.
- 3) The third observation made by the Govt of India needs to be fulfilled from The State Government end as it requires a report on the state level regarding the particular mineral proposed.

We have also attached other relevant documents to this letter for your future reference. Kindly let us know if you need any more clarification.

Thanking you,

Yours truly,

Rajesh Naik.
Sai Ram Enterprises.

ddkar-dmg-ka@nic.in

No.: DMG/UKD/QLL/MISC/2016-17/1465

Date: 23-08-2016.

To,
Deputy Commissioner.
Uttar Kannada District,
Karwar.

Subject: Regarding granting permission for Building Stone Quarry in Karwar Taluka, Arav Village, F Sy.
No: 215/A/1A having 442-12-0 area.

Reference: 1) Your office letter no. REVS/Forest/VIVA/226/2015-16 dated 06-08-2016.

2) This office certificate no. DMG/UKD/QLL/MISC/2015-16/2527 dated 13-11-2015.

With reference to above subject as per letter of reference no. (1) as per request letter of Sri. Rajesh R Naik resident of H no 4, Saileela, Gaongeri, Majali, Karwar taluka, he has sought permission for Building Stone Quarry in Forest Sy. No. 215/A/1A of Arav Village in Karwar Taluka. The total area is 442-12-0 acre out of which 0.5 ha has been requested by the applicant for Quarrying. The said land is surveyed by the Department of Mines and Geology Surveyor on 5-11-2015 and has given his consent.

Geologist

Since the said land is Forest land, FC (Forest Clearance) has to be obtained from Forest Department and on inspection of the said forest area it is found that Ordinary Building Stone (Granitic Gneiss) is available in abundance for quarrying. The same is informed to the applicant. The applicant after obtaining FC (Forest Clearance) as per Minor Mineral Rules 1994 and its amendment, there is opportunity for obtaining the Quarry lease.

OFFICE OF THE TAHSILDAR, UTTAR KANNADA DISTRICT, KARWAR -581 301

Telephone: 08382 226331

tah.karwar@gmail.com

No.:MAG/VIVA/106/2017-18

Date: 06-03-2018

To,
Deputy Director
Mines and Geology Department,
Uttar Kannada, Karwar.

Respected Sir,

Subject: Regarding giving opinion from the revenue department for Minor-mining contract, sanction or renewal.

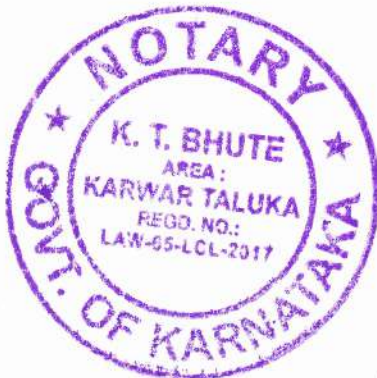

Reference: 1) Your office letter No.: DMG/UKD/QLL Application No.: 03/2017-18/2013 dated 04-01-2018.

2) Office of the Deputy Tahsildar, Village office Savantwada, letter No.:NKS/MAG/VIVA-17/17-18 dated: 23-01-2018.

With reference to above subject Sri. Rajesh R Naik resident of Gaonger, Majali, Karwar has filled a application seeking Building Stone Quarry, Minor Mineral Contract sanction in Arav Village Forest Sy. No.: 215/A/1A, having total area 442-12-0 out of which 2-0-0 acre area for which report was sought as per the above reference (2) and the Deputy Tahsildar, Savantwada has given report and following report has been submitted point wise.

1.	Whether above said land is Government land, Sanctioned land or Forest land.	The land sought by applicant is Forest land as per Revenue records.
2.	If sanctioned land consent should be obtained from Revenue Department for Mining. And any permission is given?	Since it is Forest land the consent of Revenue Department is not applicable.
3.	If the said Government land is reserved for any purpose or not. And, If there are any buildings existing.	It is not Government Land.
4.	Whether the land is Gomal (Cattle Grazing) area.	This is not Gomal (Cattle Grazing) land.
5.	Whether said land is eligible for Agriculture.	Since it is forest land the question of Agriculture does not arise.
6.	Whether any objection of Public for granting contract.	No objection during Local Inspection.
7.	Clarification of Village original map regarding certification of blue print.	The blueprint copy to this case can be certified by/from the Survey Department.

As per above opinion for grant of Minor Mineral contract or renewal there is no public objection and accordingly the opinion report is submitted.
