The Regional Officer,
Integrated Regional Office,
Longwood Shimla 171009

Sub: - Diversion of 0.56 ha of forest land in favour of Shivganga Hydel Power Project (1.00 MW), within the jurisdiction of Joginder Nagar Forest Division District Mandi, Himachal Pradesh
(Online Proposal NO. FP/HP/HYD/39107/2019).

Sir,

This is with reference to the Minutes of the 8th meeting of Regional Empowered Committee held in the office of Integrated Regional Office, Shimla. We submit our comments point wise as under.

1. The issue of review of aerial distance from Nagar Wild Life Sanctuary is to be done by the Government. As such we request our Nodal Officer (FCA) Shimla to kindly take suitable action at their end.
2. This is to submit that transmission is Double circuit line .
3. As per Revenue Record Measurement unit "is" "KARAM". For taking 5 Karam on lease, it comes to 7.1 mtr as against FCA approved plan, it should be upto 7 mtr. In this connection we submit that at the time of actual acquiring on the land, we shall adjust the width to 7 mtr and give away the extra land
4. This is true that the proposal was originally submitted by Shri Bhup Raj but thereafter, the change of name from Bhup Raj to M/S Shivganga Hydel Power Project was done as per "Agreement of change of name"
