Meantime, this office has taken up excavation at location No: 53 of the proposed line. But, the forest guard, Sangam has stopped the work stating that the loc 53 also comes under forest area. So, this office has tried to revise the details in FP/KA/TRANS/26243/2017 proposals but some of the options were not edited and the same has been communicated to ICTC staff. And as per their advice fresh proposals with revised area of 1.971ha uploaded.
