Clarification Note

Initially NHAI initiated diversion of forest land for 4 Laning of Goa Karnataka Border to Kundapur section of NH66 project and accordingly obtained Stage I for 159.80 Ha(Including 6.68 ha of area which falls in Sea bird naval base project) on 06th May 2014. An additional land of 3.483 Ha was applied and obtained combined Stage I approval (159.80 ha + 3.463 ha) on 9th October 2015.

However total 9.136 Ha of forest land is transferred from Ministry of defence to NHAI on 28th October 2014 stating Grant of working permission regarding transfer of defence land to NHAI for 4 Laning of Goa Karnataka Border to Kundapur section of NH66 .

Accordingly NHAI included 6.68 Ha of forest land transferred from Ministry of Defence to NHAI in diversion of forest land of 159.80 Ha proposal and obtained Stage I on 06th May 2014.However 2.469 Ha of forest land which is to be redirected was missed out and noticed later and accordingly the proposal is initiated now. However, the work was carried out viewing the national importance as well as Sea Bird Authority granted for Working Permission.
