| | | <p>downstream projects was sent from our registered email ID to your official email ID kulluforestdivision@gmail.com on 12 July 2025. A geo-referenced map showing the boundaries of the nearest Protected Area (PA), its Eco-Sensitive Zone (ESZ), and the distance of these Hydro Electric Projects (HEPs) from the nearest PA/ESZ has also been uploaded under the "Additional Information Details" section at Sr. No. 28, titled "Up and Down with Aerial Distance Map."</p> <p>iii. The certificate of approved capacity of the river/rivulet, issued by HIMURJA, has been uploaded on the web portal at Sr. No. 29, titled "Power Generation Pharari."</p> <p>iv. We hereby certify that our project has an installed capacity of 2.00 MW in the Beas Basin. As per the Forest (Conservation) Act Rules, 1980, the Catchment Area Treatment (CAT) Plan is applicable to projects exceeding 10 MW capacity. Since our project is below this threshold, this requirement is not applicable.</p> <p>v. A geo-referenced map showing the boundary of the nearest Protected Area (PA), its ESZ, and the distances of the HEPs from the nearest PA/ESZ has been uploaded under the "Additional Information Details" section at Sr. No. 28, titled "Up and Down with Aerial Distance Map."</p> |
| 9 | The bill of NPV has not been found uploaded online same may be uploaded and old bill may be replaced. | This point is pertaining to your good office please. |
| 10 | In reply to point No. 16, the density as mentioned is not matching with the density mentioned in Part-II. | This point is pertaining to your good office please. |

| | | |
|----|---|---|
| 11 | <p>In reply to point No. 17, the detail comments regard Power evacuation plan are required to be uploaded online separately.</p> | <p>In this context, the Power Evacuation Plan for the Pharari Small Hydro Electric Project (SHEP) involves the laying of a 33 KV underground transmission cable in joint mode with the Hamshu-1 SHEP, extending up to the 33/220 kV Phojal Substation of HPPTCL.</p> <p>The Technical Examination Committee (TEC) report clearly outlines the evacuation plan under Point No. XVI. The TEC has been uploaded on the online portal at Sr. No. 30, titled "TEC," and the Power Evacuation Plan has been uploaded under Additional Information Details at Sr. No. 31, titled "Power Evacuation."</p> |
| 12 | <p>In reply to point No. 18, the necessary email stated to have been sent, but point wise reply is required to be uploaded online portal and revelent documents are required to be uploaded separately,</p> | <p>In this context:</p> <ol style="list-style-type: none"> The Cumulative Impact Assessment from the River Basin Study of the Beas River has been uploaded on the portal at Sr. No. 32, titled "River Basin Study of Beas River." As our proposed project has a capacity of 2.00 MW, which is below the threshold of 25 MW, this point is not applicable to us. |
| 13 | <p>GoI has asked to provide the complete proposed project folder file in CD as PDF format, further, undertaking has not been found uploaded online.</p> | <p>As per your instructions, the complete proposed folder in PDF format has been uploaded to the portal at Sr. No. 33, titled "Pharari Revised FCA in Single PDF." Additionally, an undertaking has been uploaded on the portal at Sr. No. 34, titled "Undertaking to Abide by All Conditions."</p> |

Thanking you.
 For Pharari Power Pvt. Ltd.

 Director
 Yours Truly

I/172605/2022

No. WL (Misc.)/Diversion/
Himachal Pradesh Forest Department.

Dated Shimla-171 001, the

From: Principal CCF (WL) HP. To: Nodal Officer (FCA)
O/o PCCF (HoFF) HP

Subject:- Diversion of 0.4476 ha. (instead of 0.5959 ha.) of forest land in favour of M/s Pharari Power Pvt. Ltd, House No. 99, Ward No.8, Dhalpur, HP, for the construction of Pharari SHEP (2 MW), within the jurisdiction of Kullu Forest Division, District Kullu, HP.

Memo:

Reference your office memo. No. Ft. 48-3980/2019 (FCA) dated 12.12.2022 on the subject cited above.

As per the report of Divisional Forest Officer (Wildlife) Hamirpur the comments of undersigned are as under:-

1. That the distance of above mentioned project site on Pharari Nala Tributary of Beas River is 8.74 Kms from the nearest boundary of Dhauladhar Wildlife Sanctuary and .74 Kms from nearest boundary of Eco-Sensitive Zone of Dhauladhar WLS.
2. That there will be no negative impact on the flora, fauna and ecology of the Dhauladhar WLS.

However, while taking further necessary action in the matter it may be ensured that all the instructions, rules, stipulations and guidelines on diversion of land are strictly observed and adhered to.
