S. No.	Query	Reply
1	DCF not mention brief not on vulnerability of the forest area to erosion.	Reply by DCF Baran
2	District Collector has been allotted 32.19 ha Non Forest Land for different road proposals of FCA. UA is to be submitted whole area of the allotted land and marked only that area which is concerned to the proposal KML File, DGPS Map required as per this condition.	Proposed area marked in red color in DGPS Map revised kml file DGPS Map GTsheet submitted.
3	NPV amount is not as per forest density of the proposed forest area.	Reply by DCF Baran
4	The proposal is submitted for widening of existing road. But copy of earlier diversion proposal status not submitted	Exisiting 7.50 mtr. Road in available in NFL PWD Div. Khasara no. 71,116,39,82. So only widening of road proposed.
5	In case of widening of the road, alternate route analysis not required	This proposal for widening but according to portal requirement alternate route attached by the department.
6	As per DSS, the proposed Non Forest Land falling partly inside the forest boundary check the area and forest boundary	Forest boundary marked as per revenue map . correct DGPS Map submitted.
7	Copy of notification of the forest area is to be diverted has not been uploaded.	Reply by DCF Baran
8	DCF has not been mentioning the legal status of the proposed forest area in is site Inspection Report	Reply by DCF Baran
9	5 proposals are submitted by UA earlier but status of these proposal is wrong in which 3 proposals (6998,6980 @6983) are approved and remaining 2 proposal (7000 &7127) are pending for compliance of	Demand latter uploaded for payment by the department .

	in Principle approval. Kindly update the status and send compliance report for 2 proposals	
10	Justification for widening of the existing road is not based on social, technical and no of the benefitted villages.	This road directly connected to NH-3 At Guna MP State .commercial activities has been increased due to this.traffic has been increased . As per traffic data this road proposed for widening . traffic data enclosed
11	Area in the forest not matched with departmental digital forest boundary.	Forest boundary marked as per revenue map . correct DGPS Map submitted.
