

## **SUITABILITY REPORT OF COMPENSATORY AFFORESTATION LAND**

This is to certify that 16 ha of Reserve Forest area was inspected on dated 16.07.2022 in between Hajong and Nablaidisa area which fall under the jurisdiction of Maibang Range of Dima Hasao District of Assam, which had been identified for Compensatory Afforestation in non-forest land in lieu of proposed 132 kV D/C Sankardevnagar- Lumding Transmission line. The proposed Compensatory Afforestation site is suitable for plantation from management point of view and is free from sorts of encumbrances and encroachment.

The proposed land for Compensatory Afforestation is on gentle undulating terrain loamy soil and fertile accessible to the site and suitable for plantation.

The said area was inspected along with the Range Forest Officer, sub-ordinate staff of Maibang Range.

Divisional Forest Officer,  
Dima Hasao Forest Division (East),  
Haflong.
