

Land Suitability Certificate for proposed Compensatory Afforestation land

(To be furnished by concerned DFO)

Name of project: **Construction of Rupsi Airport.**

Certify that a Joint survey and ground truthing at the proposed site for Compensatory Afforestation (CA) land situated at Shisoobari Revenue village was done on 29/08/2024 vide the letter from Joint Secretary, BTC, Kokrajhars memo no. BTC/J.S. (RCB) Misc.1/2023/34 dt. 20/08/2024. The Schedule of land area is 327.581 bighas (43.6775 Ha.) covered by Dag no. 226 Lot No. 17 at Shisubari Revenue village under Bijni Rev. Circle. The proposed site is situated near Shisoobari R.F. under Amtoka Range. After Compensatory Afforestation the area can be added to the existing Shisoobari R.F. From the above point of view, the proposed Compensatory Afforestation (C.A.) land is suitable for plantation from management point of view.
