AGREEMENT REGARDING RIGHT OF WAY FOR LAYING OPTICAL FIBRE CABLE NETWORK ALONG STATE HIGHWAYS/OTHER ROADS AND IN GOVT. LANDS

Agreement to lay Telecom cables/ ducts vide Department of IT & e-Gov. **Letter no. 2672, Dt. 29.11.18** for the routes attached as **Annexure-B**

This Agreement made on this **11** (Day) of **09**.... (Month) of **2019** (Year) between Governor of Jharkhand acting in his executive capacity through Government of Jharkhand (hereinafter referred to as GOJ, which expression shall unless excluded by or repugnant to the context, include his successors in office and assigns) of the one part and **M/s Reliance Jio Infocomm Ltd.**, a company registered under the Companies Act, 1956 and having its Registered Office at (hereinafter called the Licensee), which expression shall unless excluded by or repugnant to the context, include his successors/administrator assignees on the second part.

WHEREAS the GOJ is responsible, inter- alia, for development and maintenance of Roads in Jharkhand and is also the owner of the Land.

WHEREAS the Licensee propose to lay Optical Fiber Cable (hereinafter referred to as OFC) Network in the State of Jharkhand.

WHEREAS the Licensee has applied to the GOJ for permission to lay Telecom Cables/duct/optical fiber cables within Jharkhand for the distance of **1595.655 Km.**

And WHEREAS the GOJ has agreed to grant such permission on the terms and Conditions hereinafter mentioned.

Now this agreement witnessed that in consideration of the conditions hereinafter contained and on the part of the Licensee to be observed and performed, the GOJ hereby grants to the Licensee permission to Lay OFC as per approved drawing attached herewith subject to the following conditions, namely:

- (1) The cable shall ordinarily be laid at the edge of the Right of Way or at a minimum distance of 15M from the center Line of the nearest carriageway where the road land is wider.
- (2) The top of the casing/conduit pipe containing the cables shall be at least 1.2M below the surface of the road subject to being at least 0.3M below the drain inverts.
- (3) To the extent possible, the Licensee shall follow trenchless excavation method.
- (4) The Licensee shall ensure making good the excavated trench for lying of cables by proper filling and compaction so as to restore the land into the same condition as it was before digging the trench, cleaning debris loose earth produced due to execution of trenching at least 50M away from the edge of the Right of Way.
- (5) The Licensee shall furnish a Bank Guarantee for the amount calculated at the rate of **Rs. 50 (Rupees fifty only) per meter** to Secretary, Information Technology, for a period of one year for ensuring/making good the excavated trench for laying of cables by proper filling and completion, clearing debris/loose

earth produced due to execution of trenching at least 50M away from the edge of the Right of Way. No money shall be payable by the GOJ to the licensee for clearing debris/loose earth. In case the work contemplated herein is not completed to the satisfaction of the authority which has granted the permission, within a period of eleven months from the date of issue of the Bank Guarantee, the licensee shall either furnish a fresh Bank Guarantee or extend the guarantee for further period of one year. The Licensee shall complete the formality of extending the Bank Guarantee in all respects with the concerned Bank for another period of one year immediately on the date of expiry of eleven months from the date of issue of the Bank Guarantee and submit the revalidated Bank Guarantee to the Secretary, Information Technology Department before fifteen days of the date of expiry of the Bank Guarantee failing which the Secretary, Information Technology will have the right to forfeit/encash the Bank Guarantee and in no way the Bank Guarantee will be extended thereafter and the Licensee will have to furnish a fresh Bank Guarantee in respect of the Right of Way permission. In case of the Licensee failing to discharge the obligation of making good of the excavated trench, the Secretary, Information Technology, shall have a right to make good the damages caused by excavation, at the cost of Licensee and recover the amount by forfeiture of Bank Guarantee.

(6) The Licensee shall make his own arrangement for crossing of cross drainage, structure, river etc. In case, this is not feasible, the cables may be run outside the railings/parapets and supported on brackets fixed to the outside of the bridge superstructure. The fixing and supporting arrangements with all details shall be got approved in advance from the concerned authority which has granted such permission.

(7) The Licensee shall shift the cables within 90 days from the issue of notice by the concerned authority to shift/relocate the cables, in case, it is so required for the purpose of improvement/widening of the road and restore the road/land to its original condition at his own cost and risk.

(8) The licensee shall be responsible to ascertain from the concerned authority and the Chief General Manager Telecommunications of the area regarding the location of other cables etc. He shall ensure the safety of already existing cables before commencement of the excavation. He shall be responsible for any damage to the existing cables of BSNL or any other communication network and will have to get the same repaired or replaced at this cost. The concerned authority shall have a right to make good the damages caused by the excavation at the cost of the licensee and recover the amount by forfeiture of Bank Guarantee.

(9) If the licensee fails to comply with the condition (6) and (7) above to the satisfaction of the concerned authority, the same shall be got executed by such authority at the cost and risk of the Licensee.

(10) The Licensee shall be responsible for safety of all other underground facilities such as electric line, pipes for water supply and gas, sewage lines etc. during trenching. The licensee shall also be responsible for safety of cross drainage structures. The licensee shall procure insurance from reputed insurance company against damages to these lines during trenching. As far as possible, the licensee should avoid cutting of the road for crossing State Highway, and other State roads and try to carry out the work by

झारखण्ड सरकार

drilling a hole beneath the road pavement. In case any damage is caused to the road pavement in this process, the licensee/licensees will be required to restore the road to the original condition at his cost. If due to unavoidable reasons the road needs to be cut for crossing or laying a cable, the licensee shall deposit the restoration cost as assessed by the concerned authority in charge prior to taking up of the work.

(11) The licensee shall inform the concerned authority at least 15 days in advance before digging trench.

(12) Each day the extent of digging the trenches should be strictly regulated so that cables are laid and trenches filled up before the close of the work that day. Filling should be completed to the satisfaction of the concerned authority.

(13) The licensee/licensees shall indemnify the concerned authority against all damages and claims, if any, due to the digging of trenches for laying cables:

(14) This permission shall be for a period of 15 years or the period, for which the license has been given to the licensee by the Department of Telecommunications whichever is less. The permission granted under this agreement will automatically cease, in case of premature termination of the license granted to by the Department of telecommunications. GOJ also have a right to terminate the permission or to extend the period of agreement. In case the licensee wants shifting, repairs or alteration to OFC he will have to furnish a separate Bank Guarantee for the purpose mentioned in clause (4) above.

(15) The Licensee/Licensees shall not, without prior permission in writing of the concerned authority, undertake any work of shifting, repairs or alterations to the said OFCs.

(16) The Licensee/Licensees shall be liable for any loss or damage caused to the GOJ by drainage obstruction or any other like cause due to the said OFCs.

(17) The licensee shall not sell, transfer, lease or otherwise dispose of the cables without the previous consent of the GOJ in writing.

(18) The permission granted shall not on any way be deemed to convey to the Licensee any right to or any interest in State Highway land other than what is herein expressly granted.

(19) During the subsistence of this License the OFCs located in State Highway land shall be deemed to have been constructed and continued only by the consent and permission of the GOJ so that the right of the Licensee to the use thereof shall not become absolute and indefeasibly by lapse of time.

(20) The Licensee shall bear the stamp duty charge on this agreement.

(21) The OFCs shall not be brought into use by the Licensee unless a completion certificate to the effect that the OFC has been laid in accordance with the approved specifications and drawings and the trenches have been filled up to the satisfaction of the concerned authority, has been obtained from the concerned authority.

(22) Notwithstanding anything contained herein the license may be cancelled at any time by the GOJ for breach of any condition of the license and the Licensee shall not be entitled to any compensation for any loss caused to it by such cancellation or shall it be absolved from any liability already incurred.

(23) The Licensee/Licensees shall have to provide barricading, danger lighting and other necessary caution boards while executing the work.

(24) If any traffic diversion works are found necessary during the working period, such diversion shall be provided at any cost of Licensee.

(25) After the termination/expiry of the agreement, the Licensee shall remove the cable within 90 days and the site shall be brought back to the original condition failing which the Licensee will lose the right to remove the cable. However, before taking up the work of removal of the cables the Licensee shall furnish a Bank Guarantee to the concerned authority for a period of one year for an amount assessed by the authority for making good the excavated trench for laying cables by proper filling and compaction, clearing debris, loose earth produced due to excavation of trenching at least 50M away from the edge of the Right of Way.

(26) The Licensee to which permission has been accorded under this agreement, shall not sell, lease or otherwise trade on the extra space available in the ducts laid by them except after obtaining specific prior permission of GOJ, subject to such terms and conditions as may be decided by the Government.

(27) While there will be no annual track rent or any other charge for laying the OFC network in the State, the applicant will be required to make available to the State Government, the bandwidth of 2 Mbps for connecting the State Headquarter with each district in which the OFC is laid, free of cost, during the entire life of the project. This bandwidth will be dynamically allocated at State Headquarter among various Government users for Video Conferencing, Voice Communication, Internet Access, Data Communication etc. The bandwidth of 2Mbps provided in the Districts in which OFC is laid by the agency will also include all intra-district bandwidth requirements of Government Offices in Anchals, Blocks and Government Educational Institutions etc.

(28) Whereas with respect to what has been mentioned under para (27) above and other terms and conditions remaining the same, if the Licensee proposes to lay OFC in the Municipal Corporation areas as notified by the State Government, the Licensee undertakes to provide **8 Mbps free Bandwidth for the OFC permission granted in respect of the Municipal Areas**. The details of Districts and Blocks where this bandwidth of 2Mbps/8Mbps will be provided by the licensee to GOJ in lieu of Right of Way, is attached as **Annexure-A**.

(29) For release of the Bank Guarantee after completion of the laying of OFC, the Licensee is required to obtain No Objection Certificate from the concerned Departments viz. PWD, Urban Development, REO, Forest Depts., in respect of the roads falling under their jurisdiction. Only after submitting no Objection Certificate and fulfilling other terms and conditions of the agreement, the Bank Guarantee will be released

Page 4

to the Licensee. The laying of OFC will be made by the Licensee as per physical road condition and standard specification of the road. In case the Licensee fails to procure the No Objection Certificate from the concerned Department and is unable to submit the same within one year from the date of completion of laying of OFC, in that case the IT Department may consider releasing the Bank Guarantee provided there is no report/complain regarding laying of OFC done by the Licensee.

(30) In the case of BSNL, Para (27) and Para (28) are exempted.

(31) In case the Licensee has not done laying OFC in the State of Jharkhand earlier, the licensee shall certify that this is their first work of laying of OFC in the State of Jharkhand and prior to this they have not laid any OFC in any part of the State of Jharkhand.

(32) The Licensee hereby undertakes to complete the laying of OFC work within a period of four months from the date of signing of this Agreement and shall also provide 2Mbps/8Mbps free bandwidth within a period of two months from the date of expiry of four months from agreement date i.e the Licensee shall provide 2Mbps/8Mbps free bandwidth within a period of six months from the date of signing of this agreement for OFC permission. In case the Licensee does not fulfill these requirements within the above agreed period of time and violates this condition and any other terms and conditions of the Agreement, the Bank Guarantee furnished by the Licensee will be forfeited by the State Government. In addition to this, the State Government will be free to take punitive and/or legal action under appropriate Acts/Rules/Govt. Orders etc. for violation of the terms and conditions of the agreement.

(33) (a) If the Licensee fails to provide 2Mbps/8Mbps free Bandwidth at the agreed places as per agreement within a period of six months from the date of signing of this agreement for OFC permission, penalty will be imposed @Rs 1000/- per day for number of days of delay beyond six months' time.

(b) The Licensee undertakes that the 2Mbps/8Mbps free Bandwidth, which they will be providing in terms of this agreement, will remain functional although and in case it is found that the link is down and non-functional for a period of three days or more, penalty @ Rs.500/- per day per link will be imposed for the total number of days the Bandwidth is found non-functional.

(c) The Licensee undertakes that the work of laying of OFC will be done by them only after signing of this Agreement and they will in no way start the work of laying of OFC/have not laid OFC before the date of signing the agreement. In case it is found that the Licensee has laid OFC at any place in the State of Jharkhand without obtaining the permission and before the date of signing of this agreement, penalty @ double the amount of Bank Guarantee for the portion of unauthorized laying of OFC will be imposed on the Licensee. The penalty amount imposed under such situation will not be refunded to the Licensee. In addition to the above penalty amount, action as deemed fit by the State Government including lodging of FIR under Section 420 IPC and under other relevant sections for cheating, trespassing unauthorisedly into Government lands and violating the terms and conditions of the agreement including black-listing of the Licensee will be taken.

Amit. n. s.

The penalty amount under 33(a) (b)(c) is to be deposited by the Licensee to the IT Dept through Demand Draft.

(34) Before starting the work of laying of OFC, the licensee will publish details about the places and routes and other details where OFC will be laid. It will be done at least in two most circulated Hindi daily and one English Daily newspaper. It will be done twice. This information will again be published by the Licensee in the prominent local newspaper before one day of the start of work of laying of OFC at the site. The Licensee shall inform the deputy commissioner of the concerned district about laying of OFC.

(35) The concerned minutes of the meeting in which permission was granted will be part of agreement and all terms and conditions will be honoured meticulously.

(35) (a). The licensee has to use sub-surface engineering equipment in order to find out if there are any cable pipe lines and ducts existing the Licensee is required to ensure that such pipelines cable etc. are not damaged by his digging action.

(36) The Licensee will not lay OFC in the forest land and they will invariably lay the OFC on the side of the road and in case it is found that they have laid OFC in places which have been forbidden and for which no permission has been given the Licensee will be held fully responsible for this kind of work and action as deemed fit by the State Government including lodging of FIR under IPC 420 and under other sections for cheating, trespassing unauthorized into government land and violating the terms and conditions of the agreement will be taken and the licensee will be liable to pay the amount of penalty thus imposed upon them as deemed fit by the State government i.e. the Department of Information Technology, GOJ

(37) Any dispute in interpretation of the terms and conditions of this agreement or their implementation shall be referred to a Sole Arbitrator and the decision of the Sole Arbitrator shall be final and binding on all. The department of Information Technology and the Licensee hereby give their consent that the Principal Secretary/ Secretary, Law Department, GOJ shall be the Sole Arbitrator for any dispute arising out of this agreement.

(38) Force Majeure: The Licensee shall not be liable for delay in performing obligations if it results from any of the following force Majeure Act of God or any Government Act, fire, earthquake, explosion and civil Commotion.

(39) All legal disputes are subject to the jurisdictions of courts at Ranchi only.

This agreement has been made in duplicate, each on a stamp paper. Each party to this agreement has retained one stamped copy each.
