

Report Part 1

**Project Detail:- C/O road from jangeshu to Auda via Bhanet
(Km 0/00 to 3/500) within the jurisdiction of solan and
kunihar Forest Division, District Solan Himachal Pradesh**

Query Point No:- 8

The villages which are proposed to be connected by the construction of this road can be said to be the remote villages as they are away from all the adjoining road. Also the land holdings with the individuals are very less and it was difficult for them to spare the land for dumping sites as this is the only livelihood with the majority of the families. Also the forest land which has been proposed for the dumping site has been worked out keeping in the view the muck to be generated and capacity required for the holding all the dumping earth. The trees coming in the proposed dumping site has already been accounted for. Hence the present proposal.
