No. KIOCL/MINING/DIOM/FC/1008

27 July 2018

Nodal Officer &
Principal Chief Conservator of Forests (Head of Forest Force),
Aranya Bhavan, Malleshwaram,
Bengaluru- 560 003

Respected Sir,

Subject: Diversion of 485.7725 hectares of forest land in Devadari Range, Swamimalai Forest Block, Sandur Tq, Ballari District for Devadari Iron Ore and Manganese Ore mining lease in favour of M/s KIOCL Limited (A Govt. of India Enterprise), Bengaluru.

Reference: Your letter no. A5(1).MNG.CR-21/2017-18 dated 25.07.2018.

1. This has reference to KIOCL's Forest Diversion Proposal No. FP/KA/MIN/32568/2018 dated 16.03.2018 and subsequently resubmitted on 28.06.2018 against EDS dated 04.04.2018 through web portal for diversion of forest land in Devadari Range, Swamimalai Forest Block, Sandur Tq, Ballari District for Devadari Iron Ore and Manganese Ore mining lease under Section 2 (ii) of FCA, 1980.

2. On examination of our proposal of diversion of forest land, your good office has intimated certain shortcomings in the proposal. We are herewith submitting the following for your kind consideration and for further processing our forest diversion application.

I. C (iii) Copy of Survey of India Toposheet indicating boundary of forest land proposed to be diverted: Uploaded map still shows the extent of forest land proposed for diversion as '470.40 ha', while other items in the application mention the forest extent as '485.3 ha'. Please ensure that the correct extent is incorporated in all items /documents including maps.

KIOCL's submission:-

The extent of forest land proposed for diversion for Mining is 470.40 Ha. The forest land to an extent of 15.3725 Ha is also required for diversion for other components like Conveyor corridor, power transmission line, service road (West), service road (East). The area proposed for power transmission line will also be used for laying water pipe line for drawing water from nearby water sources for use in mining and other activities. Therefore, the total extent of forest land proposed for diversion is coming to 485.7725 Ha and same has been rectified on survey of India Topo sheet and uploaded in the portal.

CONTINUATION SHEET

- II. C (iv) Scanned copy of the Geo-referenced map of the forest land proposed to be diverted prepared by using GPS or Total Station: Uploaded. However, some GPS readings do not match with KML file. Please verify the GPS reading and ensure that they tally with KML file.

KIOCL's submission:-

KIOCL has rectified the KML maps proposed to be diverted and same has been uploaded in the portal.

- The DGPS coordinates of point no K 27 & K 28 of Mining lease boundary is rectified in the kml map.
- Conveyor corridor point No 28 is rectified in the kml map.
- Power transmission line point No T 9 and T 18 is rectified in the kml map.
- GPS reading of point no R13, R14,R15,R16 of service road (East) has been inserted and accordingly rectified in the kml map.

In addition to forest land of 470.40 ha required for notified mining lease area, the forest land required for ancillary activities like conveyor corridor, power transmission line, service roads have been worked out for each activities. The extent of forest land required has been indicated in the map along with GPS coordinates. Compartment wise details area as under:-

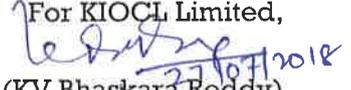

Sl. No.	Head	Total area (ha)
1	Mining Lease Notified area	470.40
2	Conveyor Corridor	11.9756
3	110 kv power transmission line	2.5660
4	Service Road (West)	0.0964
5	Service Road (East)	0.7345
Total		485.7725

3. With the above, we here with re-submit online application under Section 2(ii) of FCA, 1980 through online portal for diversion of 485.7725 hectares of forest land in Devadari Range, Swamimalai Forest Block, Sandur Tq, Ballari District for Devadari Iron Ore and Manganese Ore mining lease in favour of M/s KIOCL Limited (A Govt. of India Enterprise), Bengaluru.

Thanking you,

Yours Faithfully,

For KIOCL Limited,

(KV Bhaskara Reddy)
