

PROPOSAL FOR THE DIVERSION OF RESERVED FOREST LAND IN THE JURISDICTION OF DIVISIONAL FOREST OFFICER FOR THE STRENGTHENING AND WIDENING OF NH-211 IN DHULE DISTRICT, MAHARASHTRA

Muck Disposal Certificate

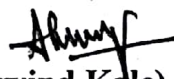

The existing bituminous layers will be milled machines and collected at Plant site by using latest technology of recycling of the milled material, which is regenerate by adding admixture and emulsion. Thus the obtained mix will be reused in the construction of project highways. This practice is permissible under the Specification for highway published by Ministry of Road Transport & Highways(MORTH).

Hence, the project itself will not produce any muck to be disposed It is further stated that muck produced is very valuable material and is mixture of grit and bitumen which is not advisable throw it off.

Place: Dhule

Date: 27/ 7 /2018
