Date: 28.07.2021

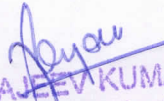

From: Head Forward Base, AAFB EA, Silchar

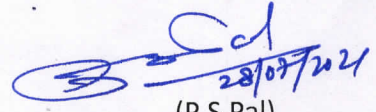

**Undertaking**

It is to inform that the area measurement for Drill Site polygon and Approach Road ROW were done in UTM projection Zone 46 N. The area in GIS software were found to be exact to the details given in Form-A Part-1.

However, on conversion to kml, the area showed a slight difference probably due to different projection system used in Google Earth.

The area was checked again converting the kml to GIS format and found to be accurate.
