Madam,

In continuation to this office letter dtd. 19-04-2017 under reference, I have the honour to inform you that the earlier report on availability of non-forest area measuring 90.0 Ha is, reportedly, partly falling within the Amreng Reserve Forest for which the same could not be uploaded to process the case for 120 MW Lower Kopili Hydro Electric Project as per provisions of the FC Act, 1980 and the Rules made thereunder. The matter was telephonically informed to me by the General Manager, Assam Power Generation Corporation Limited, Guwahati on 23-05-2017.

In view of the above an alternate non-forest area measuring 90.0 Ha is identified for Compensatory Afforestation Programme within the Southern Range, Kheroni at Langchiting as shown in the digitized map with its GPS Co-ordinates.

A copy of the map together with the co-ordinates is enclosed for favour of your kind ready reference and further needful action.
