

## **Plan for the Transportation of the Minerals proposed to be raised from the mining lease**

Project has no plans proposed for the transportation of the minerals to be raised from the mining lease. Diamond bearing Mineral (Kimberlite) will be processed within mining lease area. Diamonds recovered from the processing of kimberlite will be auctioned as per terms stipulated in Letter of Intent (LoI) for grant of mining lease issued by the GoMP. The tailings generated from the processing of the Kimberlite will be systematically stacked within the mining lease area. Hence no mineral transportation outside the mining lease area is envisaged in project.
