CHAPTER - I

EXHIBIT NO 74 PRESS NOTE NO.17 (1997 Series) FILING OF INDUSTRIAL ENTREPRENEURS MEMORANDUM

Subject: Filing of Industrial Entrepreneurs Memorandum - reg.

Under the present Industrial Policy, entrepreneurs are required to submit an Industrial Entrepreneurs Memorandum (IEM) in the prescribed form with five spare copies alongwith a Demand Draft for Rs.1000/- to the Secretariat for Industrial Assistance (SIA) in the Department of Industrial Policy and Promotion, Ministry of Industry. On filing the memorandum, entrepreneurs are given an acknowledgement by the Entrepreneurial Assistance Unit (EAU) of the SIA, Ministry of Industry. Requirement of entrepreneurs having to file a memorandum is intended mainly to conduct a limited post-facto check to see whether the proposed manufacturing activity requires an industrial licence or not.

2. Acknowledgement of the IEM which is given on the spot on prima facie evidence of not attracting the provisions of licensing, cannot, therefore, be construed as a clearance or approval to carry on an industrial activity contemplated in the IEM unless the provisions of statutes/regulations/notifications

etc. issued by the Central or State Governments from time to time or any specific directions or Stay Orders issued by the Court/competent authority relevant to such an activity, are also fully complied with, or in no way contravened, as the case may be.

3. It is therefore, clarified that it is the responsibility of the entrepreneur to ensure that the manufacturing activity, as specified in the IEMs, does not come into conflict with other legal provisions or directions or standing orders. In case of doubt, the entrepreneur may avail of the assistance of the Secretariat for Industrial Assistance to seek clarifications on whether the industrial activity contemplated in the IEM for which an acknowledgment was issued by the SIA would be repugnant to any statutes/regulations/notifications etc. issued by the Central Government or on the details of other legal provisions or directions they have to additionally comply with before such an activity is taken.

4. All concerned are requested to note these clarifications for compliance.
