Dated: 18.07.2024.

Sir,

This has reference to the above letter in which the following compliances were asked for processing the FC Proposal no. FP/UP/TRANS/15538/2015 of 765kV S/C Mainpuri - Bara ckt-1 transmission line.

Point-wise reply to queries from the User Agency is as under:

Sl.	Compliance Required	Compliance Replied
1.	The complete alignment including both Forest and Non Forest land of the area proposed for diversion needs to be depicted in kml file. The revised kml file of the area proposed for diversion needs to be uploaded on the Privesh portal.	The revised kml file of both Forest and Non-Forest land to be diverted for construction of the Transmission Line along the Route Alignment has been uploaded in part 1 in Form-A (Part-1).
2	The revised geo-referenced map of the area proposed for diversion in Kanpur Dehat, Kanpur Nagar and Fatehpur District is required. The map must include geo - coordinate points, which need to be accurately specified. This needs to be uploaded on Parivesh Portal.	The corrected Geo referenced map has been uploaded in part 1 in Form-A (Part-1) in "Additional Details Section".

e-mail- info@seuptcl.com

3	The KML file of the alternate routes needs to be uploaded on Parivesh portal	The KML file of the alternate routes has been uploaded in part 1 in Form-A (Part-1).
4	As per Google Earth Imagery, the proposed CA land of the Meja range falls under the Barren / Rocky area. This needs clarification in terms of suitability of tree plantation.	The compliance report will be uploaded by Prayagraj Division in Part -2.
5	Project sanction letter needs to be uploaded on Parivesh portal.	Transmission license (Issued by UPREC), Approval under Sec -68 of IEA-2003 (Issued by GoUP) have already been uploaded in part 1 in Form-A (Part-1) in "Additional Details Section".
6	List of affected trees and list of trees to be actually felled to be provided separately.	The declaration has been uploaded in part 1 in Form-A (Part-1) in "Additional Details Section".

In view of the above, we would request your good office to forward the compliances to the concerned to enable MOE&F issue approval in principle of the subject FC proposal.
