Sub:- Difficulty in uploading of component wise linear breakup under B-2.4 for dumping side

Sir,

With reference to the subject cited above , it is stated that in proposal No:- FP/JK/ROAD/153292/2022 , the total forest area proposed for diversion is 0.71 Hect. Under Column No:- B-2.4 Component wise breakup the area under alignment $1.1 \times 0.006 = 0.66$ Hect has been uploaded , but the area of dumping site $0.025 \times 0.02 = 0.05$ shows error even though the sum of components $= 0.66 + 0.05 = 0.71$ Hect. We have followed all the instructions meticulously, but due to some technical glitch we are unable to upload the same on the Parivash Portal .We have already raised complaint on Protal vide Ticket Id : PAR-TIC-3225406, 03-07-2023 . Hence it is requested to your good-self to kindly look into the matter at an earliest please to resolve it promptly .

Yours faithfully
