Subject: Submission of Forest clearance proposal for diversion of 20.655 Ha. of Notified protected forest land for Widening/Up-gradation of existing Single/Intermediate lane to two Lane with earthen shoulders/paved shoulder configurations for Katihar- Balrampur section of SH 98 from existing (km 0.000 to km 65.100) in hard copy of Bihar state.

Sir

With reference to the above subject, Bihar State Road Development Corporation has proposed Widening/Upgradation of single/intermediate lane of Katihar-Balrampur Section of SH-98 to 2-Lane configuration with paved shoulder from Existing Km 0.000 to Km 65.100 in Katihar District. As per Forest Notification as confirmed by the DFO, Purnea, the existing ROW of SH-98 from Existing Km 48.000 (Barsoi) to the end Km 65.100 (Balrampur) of the proposed project of SH-98 is notified as Protected Forest. Thus widening of the existing road section within the existing ROW attracts the provisions of Forest (Conservation) Act, 1980 and requires Forest Clearance for Diversion of Protected Forest land in the above section.

Therefore, please find enclosed herewith the proposal in 8 sets for the Forest Clearance diversion of 20.655 Ha. of Protected Forest land for the above mentioned project in Form A Part-I alongwith all the necessary documents/certificates and undertakings.

Encl:- As above.

Yours Sincerely

(Anjani Kumar)
