## DETAILS OF COMPENSATORY AFFORESTATION SCHEME

Compensatory Afforestation is not applicable in this case as the instant proposal is for renewal of an old mining lease.

The user agency has already provided 3.00 Acre i.e. 1.21 ha. of non forest land in Mauza – Masnodih, thana – Domchanch, thana No. – 55 for compensatory afforestation in compliance of condition No. – 6 of stage – II clearance, granted vide letter no. – 10-248/FCE dated 21<sup>st</sup> December, 1999 by the Dy. Conservator of Forest (Central) Ministry of Environment & Forest, Eastern Regional Office, KHARVEL NAGAR, BHUBNESHWAR. Compensatory afforestation is being carried out on this land.

Details of land transferred (non forest land) for compensatory afforestation is as follows :-

| Sl. No. | Name of village | Thana & Thana No. | Plot No.        | Area (in Acre) | Area (in Ha.) |
|---------|-----------------|-------------------|-----------------|----------------|---------------|
| 1       | 2               | 3                 | 4               | 5              | 6             |
| 1       | Masnodih        | Domchanch - 55    | 1381(p)         | 0.30           | 1.21          |
|         |                 |                   | 1383(p)         | 0.04           |               |
|         |                 |                   | 1385(p)         | 0.08           |               |
|         |                 |                   | 1386            | 0.17           |               |
|         |                 |                   | 1387            | 0.18           |               |
|         |                 |                   | 1388            | 0.23           |               |
|         |                 |                   | 1389(p)         | 0.32           |               |
|         |                 |                   | 1392(p)         | 1.68           |               |
|         |                 |                   | <b>Total :-</b> | <b>3.00</b>    |               |
