Subject: Providing land for compensatory afforestation for obtaining forest clearance of 765kV D/C Khetri (Rajasthan) -Jhatikara (Delhi) transmission line.

Dear Sir,

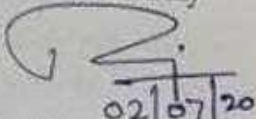

Power Grid Corporation of India Limited, a Government of India undertaking under Ministry of Power, is the Central Transmission Utility of India responsible for Construction and maintenance of Inter State Transmission System with its network spread across all the states of India. POWERGRID Khetri Transmission System Limited (a 100% subsidiary of Power Grid Corporation of India Limited) has been entrusted the work for construction of transmission system for evacuation of power from renewal energy project, viz., Solar Energy Zone in Rajasthan, Part-C which shall benefit various States in Northern Region including Delhi. One of the transmission element is 765kV D/C Khetri (Rajasthan) -Jhatikara (Delhi) transmission line.

A proposal for obtaining the clearance from forest department for the construction of 765kV D/C Khetri -Jhatikara (Delhi) transmission line has submitted to the Forest & Wild Life department, GNCTD. In the submitted Forest proposal 4.8900Ha forest area is to be diverted. Accordingly, 4.8900hectares of land is required for compensatory afforestation under FCA 1980.

You are requested to please identify the above requirement of land at the earliest and intimate us for further needful action at our end.

Thanking you

Yours truly
