

# TRIPURA STATE ELECTRICITY CORPORATION LIMITED

(A Govt. of Tripura Enterprise)

## CERTIFICATE FOR THE MINIMUM USE OF THE FOREST LAND AND JUSTIFICATION FOR LOCATING THE PROJECT ON THE FOREST LAND

Various alternatives were evaluated while selecting the final route for the proposed 33 KV Overhead Pole line from Ambasa to Jaharnagar. The proposed route/option finally selected based on minimum forest area requirement. Utmost care was taken to minimize the impact on the natural environment including forests.
