The Joint Inspection /meeting of the proposed site for C/O Setting up of Nation Disaster Response Force Battalion Tehsil Balh, Distt. Mandi, H.P. for diversion to forest land under Forest Conservation Act 1980 (FCA) was conducted on Dated 27/04/2021. In this project total 27-57-09 hectares of forest land is involved. However all efforts have been made for avoidance of forest land but as per topography and site condition above forest land measuring 27-57-09 hectares is involved in the above project which is bare minimum of the forest land and can not be avoided. The joint inspection team examined all the alternatives with a view to avoid /minimize the use of forest land and we have come to the conclusion that the proposed land is the minimum requirement of the proposed project and the diversion of this forest land is absolutely essential. There is no natural water resource, cremation ground, common purpose infrastructure in the proposed alignment.

There is no Non-Forest land available for this project.
