Sub: Diversion of 91.737 ha. forestland for improvement of Hayuliang-Hawai road from 0.00 km to 51.78 km by BRTF/NHIDCL in Anjaw District of Arunachal Pradesh

Sir,

In pursuance to the Ministry of Environment, Forests and Climate Change's letter No. 11-246/2014-FC dtd. 04/07/2014 and after careful consideration of the proposal and due fulfillment of all the stipulated conditions of Stage-I approval, forest clearance (Stage-II approval) under Section 2 of the Forest (Conservation) Act'1980 for diversion of 91.737 ha. forestland for improvement of Hayuliang-Hawai road from 0.00 km to 51.78 km by BRTF/NHIDCL in Anjaw District of Arunachal Pradesh is hereby granted as the proposed road is within the 100 km of aerial distance from LAC as certified by the User Agency subject to the following conditions;

1. The legal status of the forest land shall remain unchanged.
2. The User Agency shall transfer the cost of compensatory afforestation (CA) over equivalent area diverted i.e 183.60 ha in degraded forest land identified at Dalai PRF under Hayuliang Forest Range in Anjaw FD(91.80 ha) and Raga PRF under Raga Forest Range in Hapoli FD (91.80 ha) as per the fund deposited by the User Agency & scheme furnished by the State Govt. The Compensatory Afforestation Plantation shall consist of mixed indigenous species which shall include 20% of Medicinal Plants/Herbs/Shrubs.
3. Wherever possible and technically feasible, the user agency shall undertake afforestation measures of indigenous species along the roads within the area diverted under this approval, in consultation with the State Forest Department at the cost of the User Agency.
4. The tree felling shall be done only when it is unavoidable under strict supervision of the State Forest Department. The actual felling when and how carried out need to be informed.
5. The user agency will undertake comprehensive soil and water conservation measures at the project cost.
6. No damage to flora and fauna of the adjoining area shall be caused.
7. The forest land shall not be used for any purpose other than that specified in the proposal.
8. No labour camp shall be established outside ROW granted for the road alignment.
9. The user agency shall provide fuel wood, preferably alternate fuel, to the labourers working at the site to avoid damage/felling of trees or buy the fuel wood from the extracted timber from the Forest Department to be used by labourers.
10. The muck dumping area shall be stabilized and plantation of suitable indigenous species shall be carried out over stabilized dumps on the cost of the user agency under the supervision of State Forest Department.
11. The muck dumping will be done at the designated sites under the supervision of the representative of Divisional Forest Officer, Anjaw Forest Division.
12. The User Agency will undertake construction/maintenance of retaining/breast wall in steep slopes to ensure soil stabilization and provide for proper drains/cross drains.
13. The designing of the culverts/bridges, over the natural streams/rivers/canals should be done in such a manner that it does not hamper the natural course of the water. It should not cause rise of water level resulting in water-logging, and also does not hamper movement of wild animals.
14. All site specific engineering structures like retaining walls, breast wall and drainage shall be constructed to avoid any soil erosion and for slope stability of the concerned hills.
15. The User Agency shall obtain the Environmental Clearance under Environment (Protection) Act, 1986, if applicable

16. The User Agency will have to obtain the Forest (Conservation) Act, 1980 clearance for removal, if any, of stone, river sand, river boulders in forest land.
 17. The proposal will be implemented under the overall supervision of the concerned Divisional Forest Officer.
 18. In case of any violation of the stipulated conditions immediate action is to be taken by the Forest Department as per Ministry's letter No.5-5/86/FC dtd 07/12/1999 and this office letter No.2-1-51/2004/RONE/Vol-II/3181-02 dtd 28/12/2006.
 19. The layout of the plan of the proposal shall not be changed without the prior approval of the Central Government.
 20. The State Government and User Agency shall submit an annual self-compliance report in respect of the above conditions to this office regularly.
 21. In future, any other conditions, as may be found appropriate for the betterment of environment & wildlife, may be imposed by North Eastern Regional Office, Shillong and the Deptt. of Env. & Forests, Govt. of Arunachal Pradesh.
 22. The project proponent shall publish entire forest clearance granted in verbatim in two widely circulated daily newspapers, one in vernacular language and the other in English language so as to make people aware of the permission granted to the project proponent for use of forest land for non-forest purposes.
 23. A copy of the forest clearance order shall be sent by the proponent to concerned heads of Local Bodies, Panchayat, Zilla Parishad and Municipal Bodies in addition to the relevant offices of the Government who in turn has to display the same for 30 days from the date of receipt.
 24. This approval may be revoked if the above conditions of approval are not complied to the satisfaction of the North Eastern Regional Office, Shillong and the Deptt. of Env. & Forests, Govt. of Arunachal Pradesh.
 25. This approval is being given under the general approval given by Ministry of Environment, Forests & Climate Change, Govt. vide their letter N.11-246/2014-FC dtd 04/07/2014.
- You are, therefore, allowed to use the diverted forestland strictly for construction of the road as proposed and approved subject to the fulfillment of conditions mentioned above.

Yours faithfully,
