

**Diversion of Forest Land for Downhill Pipe Conveyor System - Proposal No.FP/KA/MIN/39394/2019. in favour of Sri Kumaraswamy Mineral Exports Private Limited.**

**Reply to E-office No.KFD/HOFF/A5-1(MNG)/30/2019-FC, Dated:06.06.2019**

| Reference Item in Form-A  | Remarks  | OUR REPLY  |
|---|--|--|
| C(ii)(a) KML File of Patches  | KML file of forest components have been uploaded. However, without entire alignment being uploaded online, the project alignment remains incomplete. <b>While retaining existining KML files of forest components, please uplaod the KML file (or sub-file) of non-forest land as well but in a different colour and with proper idetifiable Filename so as to clearly distinguish from forest components.</b> | KML files of non-forest land in different colour and proper identifiable file names have been uploaded.  |
| L. details of land identified for Compensatory Afforestation.<br>(iv)(g) Copy of Mou/agreement executed between the Present owner and the User Agency.<br>(iv)(h) Copy of non encumbrance certificate for the forest land | Instead of uploading the prescribed documents, RTCs of Sy. No. 76/15 & 76/16 have been uploaded in Item L(iv)(g) as well as Item L(iv)(h).   | We have identified another area for Compensatory Afforestation Land and also uploaded required documents.  |
|   | There is some variation between the proposed CA land boundary and the actual survey Number boundary shown on Village map resulting in inaccuracy. Further, there is no clarity on relative positions of Hissa Nos.15 & 16 among various hissass of Survey No.76.   | We have identified another area for Compensatory Afforestation Land and other details required have been uploaded.   |
|   | <b>1. Please ensure that :</b>   |  |
|   | <b>a. Only the prescribed / required documents are uploaded in all Items including Item L(iv)(g) &amp; (h)</b>   | Uploaded the required documents.   |
|   | <b>b. There is no gap between the Eastern &amp; Southern boundary of proposed CA land and the actual boundary of the Survey Number concerned shown on Village Map.</b>   | We have identified another area for Compensatory Afforestation Land and KML files have uploaded.   |
|   | <b>c. Corners of KML plygon of proposed CA land correctly with the corresponding GPS readings.</b>   | We have identified another area for Compensatory Afforestation Land and KML polygon of proposed CA lands with GPS Readings have been uploaded.                           |
|   | <b>d. GPS Points (serial numbers) are duly marked on corresponding corners of proposed CA Polygon on Geo-referenced map.</b>   | We have identified another area for Compensatory Afforestation Land and Georeferenced map of proposed CA lands with GPS Readings have been uploaded.                     |
|   | <b>2. please also upload the following additional documents merged with already uploaded Geo-referenced Map as a single PDF File in Item L(v).</b>   | We have identified another area for Compensatory Afforestation Land and Georeferenced map of proposed CA lands with GPS Readings have been uploaded.                     |
|   | <b>a. A single Map/ sketch signed by Competent Authority in Revunue Department showing various hissa in Survey Number 76 of Gavali village.</b>  | We have identified another area for Compensatory Afforestation Land and Georeferenced map of proposed CA lands with GPS Readings have been uploaded.                     |
|   | <b>b. CA land Suitability Certificate from Jurisdictional Deputy Conservator of Forests in prescribed format ( may be uploaded either under this Item or in 'Additional Information Details')</b>  | Requisition letter for suitability certificate is submitted to DCFO, BELAGAVI and it is in the process, once we receive the Suitibility will submit to your good office. |
| Additional Information Details/General  | <b>3. While retaining the correct KML polygon of proposed CA land, please also upload <u>additional KML file/sub-file</u> of different hissass of Sy No.76 (with 'Polygon' feature 'measurement'option), in which the proposed CA land is located, in different colours.</b>   | We have identified another area for Compensatory Afforestation Land and KML files have uploaded.   |
|   | <b>4. Please also note that mutation and transfer of proposed CA land is required <u>only after Stage-I approval and prior to it.</u></b>  |  |
|   | <b>1. Please ensure that the alignment of conveyor belt is decided only after proper field survey by technically competent agency.</b>   | The alignment of the conveyor belt is decided only after doing feasibility studies by Company named Conveyor Dynamics Inc.   |
|   | <b>2. Please provide for following information through email to 'gis3ictc@aranya.gov.in' marking copy to 'rfo5ictc@aranya.gov.in', 'apccffc@gmail.com'.</b>  | email sent as required   |
|   | <b>a . List of GPS readings (Datum: WGS 84; in Degree.decimals) of all corners and at every 20 meter interval for <u>forest land</u> proposed for diversion in MS Excel sheet [ Note : Presently provided email data has the GPS readings of only one side of Service Road 1 &amp;2]</b>   | email sent as required   |
|   | <b>3. Please also ensure that crucial information provided now ( other than pointed out above ) is not changed while re-submitting the application.</b>  | Complied   |
