Forest Department,

Chhatargah/Bikaner.

Online Proposal No: FP / RJ / TRANS / 19489 / 2016

Subject: Diversion of 35.4291 ha. Forest land for 132 KV Nokha daiya - Khajuwala transmission line.

Reference : Letter no. 8B/RAJ/04/8/2017/FC/36 dated 19-06-2017 from Regional office Lucknow.

In reference to the above cited subject and letter under reference the point wise reply of EDS are as under:

S.No.	Observation	Reply
1	As per the information provided at A-3(viii) regarding copy of documents in support of the competence/authority of the person making this application on behalf of the User Agency, the signature of authorised signatory has not been attested.	Authority letter has been replaced and uploaded at A-3(vii) Part-1, duly attested .(copy enclosed)
2	As per information provided at B1 proposal approved in principle having no FP/RJ/TRANS/4124/2013 in March 2014 is still pending for final approval. Reasons for such inordinate delay shall be explained as well as status regarding violation of FCA 1980 of this proposal needs submission.	The reply has been submitted to the Nodal Office by the Applicant
3	(a.) Same kml file has been uploaded for ten segments of proposed forest land diversion, the view on the google earth lacks clarity regarding proposed forest land diversion and alternates examined.	KML of each patch (19 nos.) has been uploaded in Part-I C (ii)(b).
	(b.) The Geo referenced map uploaded at C (iii) part I does not provide geo coordinates of all key points defining the proposed forest land boundary.	(b.) The Geo referenced map uploaded at C (iii) part I has been provided with geo coordinates of all key points defining, the coordinates of proposed forest land, entry and exit points and coordinates of towers (43 Nos) falling in the forest area. Same has been replaced. (hard copy enclosed)

4	The cost benefit analysis provided G (i) (a) of part I is not as per guidelines contained in FCA handbook.	The cost benefit analysis provided G (i) (a) of part I has been revised as per guidelines contained in FCA handbook. (copy enclosed)
5	Most of the documents regarding FRA 2006 are xerox copies which are not legible. Village level Certificates for few of the all 8 villages having forest land falling within proposed diversion has not been submitted with the proposal.	Legible copy of FRA certificate along with all annexure has been enclosed alongwith required documents.
6	Gazette notification of forest land uploaded with the proposal is not legible.	Legible copy of Gazette notification has been enclosed.
7	In segment A (location 11/5 and 11/6) the ROW of the transmission line is taken as 7.888 mts instead of mandatory 27 mts for 132 KV transmission line, reasons for the same need submission or revision shall be incorporated in the proposal.	There is a part overlapping, only a small portion is intersecting the forest land. Copy of snap shot enclosed.
8	NOC of land owinging organisation is not legible.	Legible copy of NOC has been enclosed.
9	In part II of the proposal land status of forest land has been mentioned as "MANDATORY" STRIP OF CANALS AND UNCLASSIFIED" which needs clarification.	Pertain to Forest Department.
10	The NPV rates based on forest type and crown density are incorrect and need NPV shall be revised.	Pertain to Forest Department
11	The kml file for proposed locations of compensatory afforestation has not been provided in CD.	Pertain to Forest Department
12	Separate lists of trees falling within alignment and trees to be felled division wise and with abstract enumeration needs submission.	Pertain to Forest Department
13	The proposal is without map showing location of towers on forest and non forest land.	The map (SOI topo sheet) showing 43 number locations falling in forest area has been marked in map (SOI topo sheet) and uploaded at C (iii) of Part-1. The map (SOI topo sheet) .
14	The site inspection reports of DCFs do not mention legal status of forest land.	Pertain to Forest Department
15	The proposal is without afforestation scheme for plantation of dwarf medicinal plants below transmission line on forest land proposed for diversion.	Pertain to Forest Department

While submitting the reply of EDS, your good self is requested to please do needful.

Encls.: As mentioned.
