4) DCF Satara's letter no. B/class-6/Jamin/23-24/584 dt.26.05.2023.

In connection to the above, as per your letter under reference 1), required chronological details of the case alongwith violation report were furnished to your vide this office's letter under ref 2) along with the copies of the correspondence letter and also uploaded on Parivesh portal.

**Part I) 1977-1988** – Allotment of Holiday home was done for 10 years.

**Part II) 1988-1998** – Railways requested Forest for 30 years extension.

**Part III) 1998-2007**- 1st proposal was processed for extension of lease.

**Part IV) 2007-2017** - 2nd proposal was processed for extension of lease.

**Part V) 2017-2022** - 3rd proposal was processed for extension of lease.

**Part VI) 2022-present** - Proposal for diversion of forest Land is under process.

**Part VII) For payment of lease cost** - Payment is done upto the year 2009.

In view of the above, It was summarized that the lease was initially from 1978 to 1988 i.e prior to 1980. After 1980 no construction work was carried out by Railway at the location. Since 1988 Railway was continuously chasing with Forest Department for extension of the lease agreement. However the proposal was not materialized due to various constraints and it was recently advised by Forest department to this office to submit the proposal for Diversion of Forest instead of Extension of Lease.

Thus it is concluded that violation of the Forest (Conservation) Act 1980 had not been done by any Railway Officer.

In view of the above, it is summarized that the lease was initially from 1978 to 1988 i.e prior to 1980. After 1980 no construction work was carried out by Railway at the location. Since 1988 Railway was continuously chasing with Forest Department for extension of the lease agreement. However the proposal was not materialized due to various constraints and it was recently advised by Forest department to this office to submit the proposal for Diversion of Forest instead of Extension of Lease.

Thus it is concluded that violation of the Forest (Conservation) Act 1980 had not been done by any Railway Officer.

This is for your kind information and necessary action please.
