APPENDIX (See Rule 6)

FORM - A

Form for seeking prior approval under section 2 of the proposals by the
State Governments and authorities

PART-I

(To be filled up by user agency)

1	Project details:	NTPC Ltd. is a Public Sector Undertaking, engaged in the business of generation of electricity and allied activities. It is the largest power company in India with an electric power generating capacity of 62,086 MW. One of the project of Coal based power plant (3x660MW) is in project stage at North Karanpura, Chatra, Jharkahnd. It is well known that Water & coal are the main raw material required to run & operate the Coal based power plant. To fulfilling water requirement, seasonal water flowing through Garhi river is to be store by constructing RESERVOIR. Ash Dyke is another main part of Coal based project to collect the Ash coming out from plant after coal burning. So construction Reservoir & Ash Dyke for NTPC is urgent. Around 10.24 Ha of GM-JJ land is falling within proposed Reservoir & Ash Dyke which is initially notified to WRD, GoJH.
	(i) Short narrative of the proposal and project/scheme for which the forest land is required.	
	(ii) Map showing the required forest land, boundary of adjoining forest on a 1: 50,000 scale map.	SOI Topo-sheet No. F45B1, of Scale 1:50,000 : enclosed
	(iii) Cost of the project.	Rs. 47598 lacs
	(iv) Justification for locating the project in forest area.	Land of 10.24 Ha of GM-JJ falling within the proposed Reservoir & Ash dyke area was initially notified to WRD, GoJh for construction of Garhi Reservoir scheme. Since the Garhi Reservoir scheme has been terminated, the same GM-JJ land has been de-notified from WRD, GoJh and allotted to NTPC for the construction of Reservoir & Ash Dyke. The present proposal is being made for obtaining Forest clearance for the same 10.24 Ha area of GM-JJ land so that the works of Reservoir & Ash dyke may be completed urgently.
	(v) Cost-benefit analysis (to be enclosed).	Cost to benefit ratio= 1:10.48 , Detail Copy enclosed
	(vi) Employment likely to be generated.	Tentative employment likely to be around 80 No's (20 No's Direct employment & 60 No's Indirect employment)
2	Purpose-wise break-up of the total land required:	RESERVOIR: 4.45 Ha ASH DYKE : 5.79 Ha TOTAL AREA=10.24 Ha
