

पत्र संख्या 2515/16C
सेवामें,

दिनांक 11/8/2012.....

प्रभागीय वनाधिकारी
रुद्रप्रयाग वन प्रभाग,
रुद्रप्रयाग।

विषय— वनभूमि पत्रावली संख्या FP/UK/ROAD/10625/2015 गैठाणा सिरवाडी मोटर मार्ग का नव निर्माण कार्य हेतु वनभूमि का गैर वानिकी कार्य हेतु लोक निर्माण विभाग, को हस्तान्तरण करने के सम्बन्ध में।

सन्दर्भ:— भारत सरकार के क्षेत्रीय कार्यालय द्वारा ऑन लाइन लगाई गयी आपत्ति दिनांक 04.07.2017 ।

महोदय,

उक्त वनभूमि पत्रावली में भारत सरकार के क्षेत्रीय कार्यालय द्वारा ऑन लाइन लगायी गयी आपत्तियों का बिन्दुवार निराकरण निम्न प्रकार किया गया है—

Sr.	EDS Details	EDS Removed as follows
	EDS dated: 04.07.2017 FP/UK/ROAD/10625/2015 Construction Gaithana-Sirwari Motor road under State Sector (3.1325ha) The reply of this office EDS dated 16.06.2016 has been submitted by the Addl. PCCF & Nodal Officer vide letter uploaded on 02.06.2017. Following shortcomings still remain in the reply/proposal:-	
1	Although, the geo referenced digital maps of the forest land proposed for diversion and the land proposed for CA have been uploaded at designated places in online Part-I but the original hard copies have not been submitted for placing in the hard copy of the proposal.	Original Hard copy had been submitted. Submitted letter attached. (Annexure1)
2	It is seen from the KML file that this proposed road does not appear to benefit the Gaithana & Sirwari villages because these villages already appear to be located near the existing roads. However, one human habitation located towards southern half of the proposed road appears to be benefited by this road. But, this habitation is close to one existing road near Sirwari & the construction of road from Sirwari end will involve less forest land. State Govt. may explore this feasibility.	Justification uploaded at other document . (Annexure2)
3	It is also seen from KML file of the road that approx. 126 m length of proposed road is passing through the area selected for CA involving approx. 0.09 ha land. This situation is bound to reduce the net area available for CA. State Govt. may either increase the CA area proportionately or change the CA site and submit necessary revised documents.	Proposed CA area is near proposed road area thus may be seen overlapping with road area which is net actual case.
4	Density is mentioned as 0.3 in para-4 of online Part-II and 0.001 in the old format of Part-II attached in hard copy of the proposal but NPV rate is charged for dense forest category in Eco-class-V. This mismatch in density in different documents and NPV rate is required to be reviewed	This EDS is related to DFO

	mentioned in the FRA certificate that the forest land proposed for diversion falls within the jurisdiction of Gaithana, Sirwari and Bhelunta villages but the proceedings of VLC meeting has been provided for Gaithana village only. Hence, the proceedings of VLC meeting of Sirwari and Bhelunta is also required to be submitted..	VLC proceeding for Sirwari and Bhelunta had been uploaded at other document and FRA certificate at K (i) (a)
6	Hard copy of the proposal contains photocopies of the documents. Hence, State Govt. submit hard copy of the proposal containing original or attested copies of the documents except the documents like FRA certificate, geo-referenced digital maps, maps in SoI toposheet, enumeration list, CA scheme and CA site suitability certificate which are required in original copies. State Govt. is requested to remove above shortcomings and submit revised information/documents/clarifications	Hard copy containing original document had been sent. Letter attached (Annexure1)
