Sir,

This is in reference to the online queries raised by the Nodal Officer (FCA) Himachal Pradesh on PARIVESH 1 portal dated 09.08.2024 on the subject cited above.

In this connection, it is submitted that the roads that are visible in the KML are the existing roads i.e one road leads to Govt. ITI Bagsiad, the other one is Bagsiad- Shikawari – Thunag road and the third road is Mandi – Bagsiad- Thunag- Janjheli MDR-24. The existing structures that are visible in KML file are of the local residents that have been constructed in their own land. And the katcha path that is visible in the KML file is used by public for movement. This department has not violated the provisions of FCA, 1980. The necessary corrections have been made in KML file and is uploaded online at Parivesh 01 Portal at appropriate place. This is for favour of your kind information and necessary action at your end please.

Yours Faithfully.

Sub Divisional Soil Cons. Officer,
Bagsiad, Distt. Mandi (H.P).
